### ANOTHER CARRION FRAUD FOR WHICH SANHA IS LIABLE

The arch-Carrion Halaalizer, SANHA, has announced that the entity, *STEERS SUN CITY ENTERTAINMENT CENTRE* at the Zina-Maisar Sun City Resort, has been fraudulently utilizing its (i.e. SANHA's) haraam 'halaal' logo to market its haraam meat products. According to SANHA, Steers has apologized for the massive deception of using SANHA's logo to ensnare Muslims and to induce them to devour haraam carrion. SANHA's haraam 'halaal' logo was used to bait Muslims.

The 'halaal' certificate scourge has degenerated to the sub-gutter level that even zina centres feel perfectly snug to recklessly appropriate the logo of just any of these filthy Carrion Halaalizing bodies to market their haraam carrion products, even PORK.

These kuffaar entities are not blameworthy just as Iblees may not be criticized for plying his trade. The blame settles squarely on the shoulders and conscience, if they still have any semblance of conscience, of SANHA and its ilk of carrion halaalizers. These vile Maitah Halaalizers are prostituting the terms and tenets of the Deen, misusing the word 'halaal', halaalizing carrion and destroying the moral and spiritual fibre of Muslims.

They are all the fuel of Jahannam. They will be piled on top of one other and cast into Hell-Fire for all the callous villainy of destroying Muslims with carrion and pork.

The jaahil and immoral masses who have become addicted to the consumption of halaalized carrion and pork are not free of blame. They are just as culpable as SANHA, MJC, NIHT and the other devils in the carrion game. There are no factors to mitigate the crimes of the devourers of the filthy, poisonous carrion which SANHA and others halaalize. While the carrion-eating people will suffer for their evil, the accumulation of their sins will be loaded on SANHA & Co. According to the Hadith, the one who initiates a sin will have to bear the sins of all those who perpetrate the initiated-sin. Thus, the burden of all the murders committed from the inception of mankind on earth, will be loaded on to Qaabil who was the first murderer on earth. He murdered his brother, Haabeel. In the same way the sins of all carrion-devouring Muslims will be loaded on to SANHA, MJC, NIHT, etc. while the devourers of the carrion will also suffer their punishment.

### ***ANOTHER CARRION FRAUD – USING NIHT’S CARRION LOGO***

The FRAUD disease of appropriating the ‘halaal’ carrion logos of the carrion halaalizers has attained epidemic proportions. Non-Muslim business establishments with total impunity appropriate the ‘halaal’ logos of the Carrion Cabal to sell their haraam products. So cheap and contemptible have SANHA, NIHT and MJC become in the estimate of the kuffaar that they freely use the names and logos of these haraam, illegitimate carrion halaalizers without their consent, without paying their fees and without fear for even the law of the land which makes fraudulent advertising a criminal offence.

In the latest such fraudulent perpetration according to NIHT, is the fraudulent use of NIHT’s haraam carrion logo by the entity, *BOM RUSSIANS & SUPPLIES* of Komatipoort. While NIHT Carrion Halaalizer has issued its statement regarding the fraud, the kuffaar entity continues to advertise its carrion meat products ‘halaal’ in the name of the NIHT.

In flagrant violation of the Shariah, NIHT, SANHA and MJC are halaalizing the meat products of kuffaar. Haraam food fit for only shaitaan, ruins Imaan and eliminates the spiritual fibre of Muslims. While haraam carrion and pork do not have a devastating effect on the kuffaar, the slightest bit of haraam food has a lasting damaging effect on the heart of the Mu’min – both his physical heart and his spiritual heart. The contamination of the poison of haraam food is so potent that Allah Ta’ala, in the Qur’aan Majeed addressing the Ambiya (alayhimus salaam), says:

***“O Rusul (Messengers)! Consume [halalaal] wholesome (food) and [practise] virtuous deeds.”***

Halaal-Tayyib food is a vital requisite for the attainment of *Roohaaniyat* ( a healthy spiritual fibre).

(Doubtful) food creates Haraam and Mushtabah  
zulmat  
(spiritual darkness), bestiality, immorality and shamelessness in Muslims. Thus, Rasulullah
