

THE CORRUPTION OF ASSOCIATING WITH THE PEOPLE OF BID'AH AND BAATIL

“He who honours a man of bid’ah, verily has aided in the demolition of Islam.” (Rasulu Ilah –Sallallahu alayhi wasallam)

Hadhrat Abdullah Khabeeq, who was among the very senior Auliya of the Salafus Saaliheen, said:

“The taste and pleasure of Taa-at (Obedience and Ibaadat) depart from the heart of those who listen to talks of deviation and baatil (falsehood).”

This is a special *naseehat* for those Ulama who associate with the people of Baatil such as the Ahl-e-Bid’ah (Qabar Pujaaris) and the miscreant sheikhs of the MJC. This *Naseehat*

is specifically directed to those Ulama who still profess to be Deobandis although they have deviated very far, extremely far from the Path of the Akaabireen of Deoband.

These Ulama associate with the people of Baatil labouring in the grossly mistaken understanding of achieving ‘unity’ whereas this understanding is a mirage, a danger to the pure Deen and a deception of Iblees. Unity can never be achieved with the Ahl-e-Baatil. A superficial, baatil and haraam ‘unity’ is temporary forged by compromising the Haqq, by maintaining

silence on the issues of baatil and bid'ah, and this is tantamount to *Kitmaanul Haqq* and
(*Concealing the Truth*)
subversion of the Shariah.

Thus, it is seen that when the so-called Deobandi ulama mix with the MJC sheikhs and the Qabar Pujaari bid'atis in their bogus 'uucsa' project with the idea of unity, they (the 'deobandi' ulama) slink into total silence regarding the baatil of these wayward sheikhs and Qabar Pujaari molvis. In the pursuit of the phantom 'unity' and in the desire to be part of a hocus-pocus paper 'uucsa' entity, the lips of the 'deobandi' participants in the baatil project are firmly zipped. They are under pressure to maintain silence, and not open their mouths to proclaim the Haqq. If they do, they will not be able to sit in the company of those who are the promoters of bid'ah, baatil and shaitaniyat.

It is indeed lamentable to observe the grievous departure from the Haqq of the junior molvis who proclaim themselves 'deobandis'. Their silence on issues of the Haqq is deafening, corruptive and destructive of the Shariah. The sheikhs of the MJC and the moron Qabar Pujaari molvis have gained the upperhand by harnessing the junior 'deobandi' molvis, and pulling the reins to whichever side they desire these 'deobandi' molvis to trot.

Whilst there appears no hope for the redemption of the MJC sheikhs of *dhalaal* and for the molvis of the grave-worshipping sect, there still remain a ray of hope for the misguided junior 'deobandi' molvis, hence we proffer this naseehat. They only need to set aside the fumes rising from the
Nafs-e-Ammaarah
, sit for a while in
khalwat
and engage in
Muraaqabah
to realize the path of deception and crookedness which they are plodding in the illegitimate embrace with the Ahl-e-Baatil. They should think: hithertio, what benefit did we gain and what benefit did the Muslim community gain, with all the wasteful 'conferences' and 'tele-conferences'

(sic!)
in which they waste time and money? Besides talking trash and nafsaniyat and eating, what really did they achieve?

They should reflect on the aforementioned Hadith of Rasulullah (sallallahu alayhi), and give much thought to what Hadhrat Abullah Khabeeq (Rahmatullah alayh) says regarding listening to the words of the Ahl-e-Baatil. The *nooraniyat* of the soul is eliminated by contact and socializing with MJC sheikhs and Qabar Pujaari molvis. Imaan is tarnished by listening to their words and compromising with their demands for the sake of an imagined unity which will never be attained, and which in fact is haraam.

The puerile resolutions, the silly talks and the imagined goals of the bogus entities cultivate *zu Imat*

in the

Baatin

. Everything in the association with the people of Baatil is morally and spiritually corruptive. The corruption of the

Baatin

and the derangement of the

Aql

which the

baatil

association creates have blinded the junior 'deobandi' molvis to the degree that they no longer bring the dimension of the

Aakhirat

into their lives. They find no error in becoming the opponents of the Ahl-e-Haqq for the sake of 'unity' with the Ahl-e-Baatil. The intellectual convulsion and spiritual corruption should therefore be quite conspicuous for even laymen to see and understand.

Association with the Ahl-e-Baatil has afflicted the spiritual heart with such destructive diseases that the *Khauf of Allah Ta'ala* has been eliminated from their hearts. They thus fear not Maut. Maut is the furthest from their minds. It appears that they do not really believe in the Aakhirat and the Accountability in the Divine Court. Hadhrat Ma'roof Karkhi (Rahmatullah alayh) among the greatest Auliya of the Salafus Saaliheen, said:

“Only he in whose heart there is the disease (of nifaaq) opposes the Aalim of Haqq.”

We urge our errant 'deobandi' molvis who have lost the

Tareeq

to ponder and to bring Maut constantly to the fore, for Malakul Maut calls out five times a day to every person reminding him of the inevitable reality of death. And, so too does the Qabr call five times a day:

“I am the abode of darkness, the abode of sand, the abode of worms, the abode of torment, etc..”

So said Rasulullah (sallallahu alayhi wasallam).

You have nothing to achieve – nothing to gain, neither in this dunya nor in the Aakhirah by associating with and trying to forge a haraam ‘unity’ with the Ahl-e-Baatil. The MJC sheikhs and the Qabar Pujaari molvis belong to baatil sects. They are not of the Ahlus Sunnah Wal Jama’ah. How can you have been duped so much to fall into the trap of those who maraud Imaan and Akhlaaq?

We urge our wayward ‘deobandi’ molvis to make Waajib on themselves the Malfoothaat of Hadhrat Thaanvi (Rahmatullah alayh), and to daily read at least a dozen pages from the life episodes and advices of the Auliya. Insha-Allah, this will create life in the deadened souls – deadened primarily by association with the Ahl-e-Baatil and compromising the Haqq and concealing the Haqq. Reading the advices and admonition of the Auliya is Waajib and of great spiritual and moral benefit, hence Allah Ta’ala says in the Qur’aan Majeed:

“Everything that We narrate to you (O Muhammad!) from the stories of the Rusul is for strengthening your heart.”

Hadhrat Junaid Baghdadi (Rahmatullah alayh) said that the *Waaqiaat* of the Auliya are the Armies of Allah Azza Wa Jal.

Don’t waste your time with the stupid resolutions of the miscreant people of Baatil. They are all slaves of the Nafs and *Kilaabun Naar*. There is only *dhalaal and zulmat* in their talks and in association with them. There is

zulmat

in their hearts.

Zulmat

on their faces.

Zulmat

in their thinking, and

Zulmat

in their words. There is absolutely no gain in mingling with them. The dividing line between Haqq and baatil is conspicuous.

For the remaining few days of your short earthly life, become the Helpers of Allah's Deen. Allah Ta'ala says: "**And, if you aid Allah (i.e. His Deen), He will aid you, and plant your feet firmly.**" The Haqq is never in need of the Ahl-e-Baatil for anything whatsoever. Unity with them is a curse. Their support is not needed in any of our Deeni projects. They all are *Abnaaud Dunya*. They are the slaves of money, and our junior 'deobandi' molvis have all fallen into this trap which shaitaan has adorned for them with *nafsaaniyat*.

May Allah Ta'ala grant you the taufeeq to see the Haqq and to recognize baatil and to extricate yourself from the mess of dhalaal in which you are trapped.
