MJC'S "HALAAL" STATUS REVOKED BY MALAYSIA

MJC HALAAL TRUST CERTIFICATION NO LONGER ACCEPTED BY MALAYSIA

Historically, JAKIM the Malaysian Government Religious Affairs Halaal Dept. had recognised all South African HCB's (Halaal Certification Bodies) including the Jamiatul Ulama Tvl & Natal. Upon the formation of SANHA and their integration into the National body, the two Jamiats were removed and SANHA was listed in their place. ICSA was the only body that never was recognised and are still not recognised by JAKIM to this day.

Over the years, JAKIM visited SA on several occasions accompanying the Malaysian Veterinary Dept. as guests of the state but never conducted an "audit" of local HCB operations.

In November last year, JAKIM formally arranged to audit the 3 bodies in SA listed with them viz. MJC, NIHT & SANHA and spent a period of three weeks in SA.

4-5 days were spent with each HCB and their report was finalised and result published in February 2016.

The MJC were delisted by JAKIM due to serious irregularities and not just on 'technicalities' as alleged by Sheikh Sedick, the Director of the MJC Halaal Trust.

The ramifications of the delisting is that MJC certified Halaal products cannot be exported to Malaysia any longer.

COMMENT BY THE MAJLIS

Note that Jakim is also a carrion Halaalizer.

It is a case of the black kettle calling the black pot 'black'.

Jakim has no Shar'i standard. Jakim, MJC, SANHA, NIHT and all similar shaitaani outfits are all **CARRION HALAALIZERS.**

They are among the worst specimens of humanity, for they feed Muslims HARAAM & DISEASED CARRION fit for only Devils.
