## MORONS AND EVIL ULAMA

Rasulullah (Sallallahu alayhi wasallam) said:

***“A time will dawn when the worst of the people under the canopy of the sky will be their ulama. From them will emerge fitnah, and the fitnah will rebound on them.”***

The function of these bootlicking ulama-e-soo' will be to mutilate the Shariah to make it palatable and acceptable to the vile dictates of the nafs and the kuffaar. The teachings of Islam will be distorted and misinterpreted in order to incorporate haraam into the Ummah. In this regard, a Brother from the U.K. laments:

It is lamentable that a supposedly reputable organisation like Wifaqul Ulama of the U.K. which commenced it's work under the leadership of a Khalifa of Shaykh Maulana Asad Madani (RA) should now indulge in posting photographs of a young non-Muslim woman on their website and on their Twitter account in order to express their condolences after she was recently murdered.

To the layman the issue is clear cut. How is it permissible to put up a photograph of a woman on an Islamic website. Whatever happened to zina of the eyes?

The problem we face is that when you mention this sort of issue to ulama, they generally do not reply or they confuse the layman with a spurious daleel, which as a layman one is scared to rebut for fear of kufr.

Who can the layman trust nowadays? Then we have lay upstarts like Mu'adh Khan on a website defending the British Ulama indirectly stating that South African Ulama such as yourself, Mufti Elias, Mufti A.K.Hoosen & Mufti Salejee are not issuing rulings on the traditional stance of the Hanafi Mathab. For example, Modernist Mu'adh states women are permitted to drive with conditions. He contends that it is permissible for a woman to drive to pick up the children from school provided they observe hijab. This moron then states he is happy with such a situation.

He further states and I quote:

"Given the way society is these days, it makes sense for women to be able to drive so they can be independent and not rely and interact with Ghair-Mehram men (Taxis), public transport etc.

In order to take driving away from women our society will need restructuring."

This is his delusional understanding of a "genuine need." With such people writing as though they are ulama and the ulama themselves posting photos, how does a layman obtain correct guidance?

*(End of the Brother's letter)*

This type of *mudhielleen* morons and 'scholars' are on the increase. The closer the approach of Qiyaamah, the more will shaitaan's agent become. The worst scourge and curse which afflict the Ummah today are these vile 'ulama' *chelas* of Iblees who put the ulama-e-soo' of Bani Israaeel into the background in their fatwas of villainy and haraam.

While Wifaaqul Ulama of U.K. may have been a genuine Ulama body of the Haqq at one time, it has slipped and is becoming a baatil gang of ulama-e-soo' such as the South African NNB

Jamiat of Fordsburg. Wherever one looks, one sees these cliques of villain 'ulama' whose function is to destroy the Deen. They all are in the employ of Iblees.

Their evil and villainy are so conspicuous that even laymen can understand the haraam they feast on. Their arguments presented in justification of their corrupt, haraam fatwas of the nafs are pure satanic – inspirations of Iblees. May Allah Ta'ala save the Ummah from these scoundrel molvis and morons.
