‘QUDS DAY’ –

IN HARAAM EMULATION OF KUFFAAR

Some deceits and imposters with a fraudulent ‘secretary general’ calling themselves ‘uucsa’, have issued a statement requesting Muslims to observe the 1st July 2016 as ‘Quds Day’. The fraudulent ‘uucsa’ entity audaciously cites a Hadith of Rasulullah (Sallallahu alayhi wasallam) to justify its haraam call. Such justification of a kuffaar practice is downright dishonest and borders on kufr.

There is no day called ‘Quds’ day in Islam. The only Days of celebration / commemoration in Islam are the Eid days, the Day of Aashura, the Day of Arafat and the 15th Day of Sha’baan. These days are occasions of Ibaadat. In Islam there is no practice, no exhortation, no encouragement and not even the slightest indication to fabricate day-commemoration practices to mark any event.

The fabrication of commemoration day customs are pure kuffaar practices which wayward, miscreant, fussaag and fujjaar Muslims are emulating. The Hadith cited by the frauds in which Rasulullah (Sallallahu alayhi wasallam) extols the virtues of the Land of Shaam, is absolutely no basis and no justification for fabricating the kuffaar ‘quds’ day. Rasulullah (Sallallahu alayhi wasallam) had mentioned the *fadhaa-il* of places other than Shaam as well. But these virtues do not justify adoption of kuffaar practices.

There is absolutely no precedent in the annals of Islam for fabricating days to mark events. There were numerous memorable occasions in the history of Islam. About the most famous Day was the Day of the Battle of Badr. But in Islam there is no ‘Badr Day’. The destruction of the Islamic Empire by the Mongols was a memorable occasion of grief. But there is no day set aside to commemorate this occasion of grief. The loss of Jerusalem to the Christian kuffaar, and its re-capture by Sultan Salaahuddin were memorable occasions. But there are no stupid ‘quds’ day commemorations. The destruction of Musjidul Aqsa by Nebuchanezzar

(Bukhtanasar) was indeed most memorable. But there is no 'quds' day for this event.

There are literally thousands of memorable occasions in Islam. But the Shariah does not set aside days in stupid emulation of the kuffaar to celebrate or commemorate any of its events. So what is all this stupid hullabaloo of 'quds' day? There is no conundrum underlying the stupidity of 'quds' day. Some frauds are capitalising on the Palestinian issue for monetary gain. They use and misuse this issue to fleece a stupid public. It is for the boodle with which they fill their pockets by a variety of 'Palestinian' ruses, logos, songs, fairs, concerts, bazaars and 'quds' day events, and also long treks to ostensibly deliver aid when the motive is haraam monetary gain – to steal public funds. The motive of others such as the 'uucsa' frauds is cheap publicity and a little fame.

Why do these rubbishes not have any day for the oppressed Chinese Muslims who are oppressed a thousand times more than the Jewish oppression of the fussiaq and fujjaar Palestinians who are a disgrace to Islam. In fact, Allah Ta'ala is punishing the Palestinians for their flagrant transgression, villainy and immorality – for their kufr, fisq and fujoor. It is haraam to celebrate this stupid 'quds' day. There is nothing to celebrate, especially about people who are trampling on Islam, both in the West bank and in Gaza. The West Bank is being 'governed' by a professed kufr entity. They have no truck with Islam. Hence Allah's Athaab has settled on them.

The frauds of the bogus 'uucsa' are not commemorating the oppression on the Kashmir Muslims, or on the Indian Muslims or on the Rohiongiya Muslims. There is ongoing oppression in these and in other countries. Condemning Israel has become fashionable, hence this is an easy exercise. But why not condemn China who is a worst oppressor of Muslims than Israel? Because the UN and the other western masters whom these 'quds' day bootlickers and bootleggers worship do not castigate China for its brutal oppression of Muslims, these stupid 'quds' day frauds will not open their mouths against China or India.

And, why is there no 'Baghdad' day to howl against the U.S.A. who has massacred and maimed millions in Iraq, and whose oppression is ongoing in Afghanistan and elsewhere? Why is there no 'Kabul' day? The U.S. has oppressed and murdered far greater numbers of Muslims than the oppression of Israel. Why only 'quds' day? *Hubb-e-maal* and *Hubb-e-Jah* is the answer.

The worst oppressors and polluters of Palestine and Shaam as a whole are the Muslim inhabitants of those lands. They have polluted and continue their pollution of Jerusalem and Shaam with their fisq, fujoor, bid'ah and kufr. Their evil is such that one finds it difficult to even

make dua for them. They are most audacious in their destruction of the Shariah.

‘QUDS’ DAY IS A HARAAM BID’AH. IT IS TASHABBUH BIL KUFFAAR. MUSLIMS SHOULD NOT BE SO GULLIBLE AS TO FALL INTO THE TRAP OF BOOTLICKING AND BOOTLEGGING MOLVIS AND SHEIKHS WHO USE AND MISUSE THE DEEN FOR THEIR DESPICABLE NAFSAANI MOTIVES.

23 Ramadhaan 1437 (29 June 2016)
