THE HUMILIATION, KUFR, FISQ AND FUJOOR OF THE NKANDLA 'DAWAH' HOAX

An irate and concerned Brother from Durban writes:

Respected Moulana,

Regarding the Nkandla issue , there were about 5000 odd people. 15 cows were actually wasted , when 2 cows should have been sufficient.

Also disturbing was, the king smeared egg on the faces of the Muslims, trying them , islàam is not new to him, but rather used the opportunity to ask for Arab monies to invest in kzn.

Further, the event was organised by the Muslims, but the best part was that all Muslims were given about 5 to 10 min to talk.

The king was given over an hour to speak. It should be, him speaking for 5 min only.

Also, he in the end, asked all to stand and said his going to say a prayer. All stood up, he began singing his jehova songs, as his closing of the function.

Was it not the Muslims duty to round off with a dua for the hidayat of their dawah . ?instead , the king gave them dawah to visit him for some fruit prayer , whereby ladies come stark naked from head to toe ? Or top less to woe the king

Aatagfirullah !!!!

What a shame these so called ulema and muslims brought to the ummat.

Lastly ,the zohar salaah was performed at almost asr time, with the king nowhere to be seen, but with the big shots to hand him over gifts.

A bull from a Muslim farmer was purchased at an exorbitant amount and was given to the king as a gift.

I feel some local Muslims only were jumping up and down like cut fowls to curry favour to do business with the royal family. Some are big mouths in khanqah Sufi, but all a big show.

The king gave the idiots nothing!!!!!!

But a bayaan to bring lots of monies to his kzn

THERE IS NO NEED FOR FURTHER COMMENT. THE HUMILIATION FOR MUSLIMS WAS TOTAL.
