About pigs, Rasulullah (Sallallahu alayhi wasallam) said:

“He who imparts knowledge (i.e. higher Islamic Knowledge) to an unfit person is like one who garlands khanaazeer (pigs) with diamonds, pearls and gold.”

These *maajin, jaahil* 'muftis' who have issued this pig fatwa come within the purview of the aforementioned Hadith. Their brains have become soggy and incapable of discerning right from wrong. Just imagine this devilish fatwa which halaalizes handling of pigs.

Allah Ta'ala has not ordained the medicine of this Ummah in haraam substances, haraam animals, least of all in pigs. But these jaahil muftis, suck stupid

muftis are unable to distinguish between halaal and haraam, every filth is transformed into halaal by their satanic fatwas.

The pig fatwa is the inspiration of shaitaan.
