

FONG KONG HARAAM, HUMILIATING TERMS FOR THE MUSAAJID IN LUSAKA

MUSLIMS OF LUSAKA! REJECT THE SATANIC CONDITIONS! DO NOT ATTEND THE MUSAAJID! PERFORM SALAAT AT HOME! 'SALAAT' THE WAY THE GESTAPO MOB IS ORGANIZING IS HARAAM AND NOT VALID!

Similar notices are now being sent out by other masaajid in the city. Although it appears that many of the mutawallis of the various masaajid seemed reluctant to open the masaajid in the proper shariah manner, and not according to the ludicrous points above, there has been growing pressure by the musallis to open the masaajid.

This appears to be a huge mockery of the most fundamental hukm of Deen. Please advise on how we should perform our salaah given all the restrictions above?

Jazakallah (*End of the Brother's letter*)

COMMENT

Never should Muslims submit to these humiliating, haraam terms and conditions which this Gestapo (the management committee of the Musjid) grovelling in a cesspool of kufr takes pride in imposing on Muslims.

Every condition is haraam and kufr. Also, the *najaasat* of the sanitizer *rijs* consisting of 70% alcohol renders the user impure (*napaak*).

In these trying satanic circumstances of the devil's lockdown, perform Salaat at home in the proper manner prescribed by the Shariah. Let the Musaaajid remain deserted to testify on the Day of Qiyaamah for the kufr and satanic infractions of these Gestapo entities who have assumed the role of the satanists. Just imagine the degree of shaitaaniyat! Policing satanically the Musaaajid and controlling satanically the Musaaajid as if they have inherited the Houses of Allah from their fathers.

Muslims should not contribute a cent to these evil shaitaani management committees which pillage and plunder the sanctity of the Musaaajid. They furthermore have lost their Imaan. They

are Munaafiqs. They reject the explicit Fatwa of Rasulullah (Sallallahu alayhi wasallam) who stated unequivocally:

“Laa adwaa” – There is no contagion. In flagrant and blasphemous denial of our Nabi’s Fatwa, this Gestapo Satanist says: **“Adwaa”-
Disease is contagious.**

Only those bereft of Imaan are capable of disgorging such blatant kufr then perfidiously persist in professing themselves to be Muslims.

Their belief in the concept propounded by the atheists is *Sareeh* (Explicit) kufr. Their Imaan is eliminated. Their marriages are nullified by this kufr belief. The La’nat of Allah Ta’ala and His Malaaiakah descend on scoundrels who pollute and desanctify the Musaaqid with the plethora of the hideous conditions of kufr.
