

SATANIC GAPPING- DARUL ULOOM BANNOORI TOWN'S STUPID FATWA OF THE MORON MUFTIS

Question

Please comment on the fatwa of Darul Uloom Bannoori Town (Karachi). According to these muftis, 'social distancing' in Salaat, etc. are permissible because:

(1) The contagiousness of the covid disease is confirmed by medical opinion.

(2) The government's law has to be obeyed.

Is their fatwa in conformity with the Shariah?

ANSWER

There are two shariats: The Shariah of Allah Ta'ala and the shariat of Iblees who is the ustaadh of the government, the medical juhala and these moron bootlicking muftis.

The first ground presented by these *maajin* (moron, stupid, scoundrel) muftis is kufr. Regarding the second stupidity, nothing supersedes Allah's Law.

There is absolutely no need for stupid fatwas to bootlick and appease the atheist medical juhala who excrete plain Ibleesi drivel. The government does not compel any molvi to excrete rubbish in the name of the Shariat. The profession of these moron muftis is bootlicking for the acquisition of money, stupid name and fame. They are pursuing worldly carrion under Deeni guise.

This Darul Uloom as well as Darul Uloom Deoband and most other Darul Ulooms have diverted from *Siraatul Mustaqeem*. They are plodding the devil's path to Jahannam. They all have become agents of shaitaan, hence they now excel in western liberalism.

The Darul Uloom has not presented a single Shar'i daleel for its Ibleesi excrement. Its stupid 'fatwa' is nothing other than a piece of moronic personal opinion disgorged to bamboozle the juhala and to bootlick the government. These Darul Ulooms can no longer be trusted. They trade the Deen for the *jeefah (carrion)* of the dunya. They are no longer representatives of the Shariah. On the contrary, they are agents of Iblees.

Just imagine! Abrogating the Shariah with a piece of rubbish personal opinion devoid of a shred of Shar'i substance. They all are signs of Qiyaamah. They are plodding the path of *dhalaal (satanic deviation)*

. They are

mudhal (deviated)

and

mudhil (leading others astray)

.

As for the dalai-il debunking the rubbish which these moron muftis disgorge, we have published seven booklets and numerous articles, all available on our website. Suffice to say, that the Bannoori Town fatwa is satanic rubbish.

Their stupid fatwa zigs and zags between right and wrong, but finally settles for shaitaani rubbish. While these moron muftis acknowledge the imperative importance of proper Masnoon Saff formation, they ultimately prostrate to shaitaan and accept his 'fatwa' of kufr.
