### **NNB jamiat MUNAAFIQEEN FEAST ON THEIR FESTERING LIES**

*HAVING SUSPENDED THE DAILY FARDH JAMAAT SALAAT AND JUMUAH SALAAT, AND HAVING STRUGGLED TO CLOSE THE MUSAAJID, REVEREND ABRAHAM BHAM AND HIS MJC AND BOGUS UUCSA COHORTS ARE ABORTIVELY STRUGGLING TO EXTRICATE THEMSELVES FROM THE MASS OF COPRO-MESS IN WHICH THEY ARE BOGGED DOWN.*

Sheer desperation has driven these munaafiqeen deeper into their cesspool of lies. Desperately labouring to convince the community of their new compounded LIE that they had not clamoured for the closure of the Musaaqid, they find themselves floundering in bewilderment which constrains them to utter lie upon lie. This is the hallmark of munaafiqeen. Rasulallah (Sallallahu alayhi wasallam) said that when the Munaafiq speaks, he LIES. Lies percolate from every aperture and pore of their bodies.

While the Reverend is at pains in his abortive attempt to exculpate himself from the kufr notoriety which he and thers of his satanic ilk had just recently trumpeted in the belief that he possessed the Divine Authority to suspend the Fardh Jamaat Salaat, Jumuah Salaat and close Musaaqid at the behest of the atheist agents of Iblees, the jahaalat spawned by his Nifaaq has made him forgetful of his explicit utterances and advices of kufr. His statements of kufr refuting his belated claims nail him to the cross of kufr and shirk under which he has worshipped. We reproduce here some of his statements which debunk the LIES which he is presently propagating in his self-exoneration bid.

(1) □ □ *“Keeping masajid open to the general public, as normal, would prove to be catastrophic in the containment of the spread of COVID-19. We cannot allow the masajid to become the epicentres of the spread of the pandemic.”*

(But Rasulullah (Sallallahu alayhi wasallam) said that calamity and disease which descend from the heavens are diverted from the Musaajid. – The Majlis)

(2) □ *“The Jamiatul Ulama South Africa (JUSA), the council of Muslim theologians based in Johannesburg, had called for the suspension of congregations in mosques, a day before the eventual declaration of the national lockdown....”*

(This act of stark, flagrant and vile kufr is adequately castigated in the Qur’aanic Aayat: *“Who is a greater zaalim (oppressor) than the one who prevents Allah’s Name being taken in the Musaajid of Allah, and then he strives in the destruction of the Masaajid?”* – The Majlis)

(3) *“Expert counsel, from among others, Muslim medical professionals who share concerns for the welfare of the community and the country at large, informed us to take this spiritually drastic step without any further delays.”*

(The ‘spiritually drastic step’ refers to the suspension of the daily Fardh Salaat, Jumuah Salaat and closure of the Musaaqid – The Majlis)

*(4) “Our assessment led to the resolution to suspend congregations because the level of the risk of Covid-19 spreading among Muslims, notwithstanding our ritual hygienic practices, is high.”*

*(5) “This means a congregant could be at the mosque as much as 35 times a week. That frequency of congregational interaction increases the risk among Muslims more than in any other faith.”*

The Reverend’s explicit statements cannot be interpreted away by the humbug lies which he is disgorging in his desperate attempt to convey the falsehood of him not having clamoured for the closure of the Musaaqid. The only way for redeeming himself is Taubah.
