

MASSACRE BY THE KAAFIR ARMY OF EGYPT – AN ATTEMPT TO OBLITERATE ISLAM

The surrogate U.S. army of Egypt – an army of kuffaar slaves of the U.S. – is currently – right at this very moment – engaging in the brutal massacre of Egyptian Muslims of the Ikhwaanul Muslimeen who are protesting the unlawful removal of their elected President Muhammad Morsi who is now being held by the kaafir army on trumped up charges.

Morsi's forcible removal and the massacre of hundreds of Muslims by the brutal army of Satanists have been conspiratorially orchestrated by the U.S. enemy of Islam. Despite the Ikhwaanul Muslimeen promoting an extremely 'mild' brand of Islam, the very term 'Islam' in the constitution is anathema to the West and to the millions of kuffaar Egyptians who have become the supporters of America and its kaafir army whose bandit general al-Sisi had called on all the kuffaar thugs of Egypt to come out on to the streets to kill the supporters of Morsi.

The army chief (the kaafir, al-Sisi) calling on the millions of kuffaar Egyptian thugs to demonstrate in the streets to give him a mandate to massacre the Muslims who are making their legitimate demands for the reinstatement of the elected president, is mind boggling. That an army chief would call on the masses to demonstrate in the streets in such a volatile situation as prevails in Egypt, beggars the imagination. He was clearly inciting the kuffaar thugs and calling on them to legitimize the massacre of Muslims which he had on the agenda, after conspiring with his U.S. bosses in whose employ is the dishonourable Egyptian mercenary army whose only feat is to kill Muslims. This miserable army requires the permission of Israel to venture even into its own backyard in the Sinai Desert which is supposed to be the territory belonging to a sovereign state. But there is nothing sovereign about the surrogate Egyptian state with its mercenary army contracted to the U.S. and subservient to the Israelis.

Hundreds of Muslims have been brutally mowed down today by the kuffaar army in Egypt. According to hospital reports, more than a thousand have been injured. Pools of blood of the Muslim demonstrators were witnessed by observers. There is absolute carnage at the field hospital in Rabaa.

Whilst all this brutal massacre and shedding of Muslim blood is currently being enacted, the world stands looking on as a silent observer because the murders are being perpetrated in the interests of the West in general, and in particular the interests of the U.S. The killing and brutality will now be on going in Egypt. No amount of repression and brutal shedding of blood will bring peace to the land which is bleeding and haemorrhaging.

Muslims all over the world are traumatized at the brutality of the U.S.'s kuffaar Egyptian army. The conspiracy is to extinguish Islam. But this vile objective will never be attained regardless of the thousands the dishonourable mercenary army of the U.S. murders and massacres.

**ALL MUSLIMS ARE REQUESTED TO MAKE DUA FOR THE BROTHERS BEING
MURDERED IN EGYPT BY THE KUFFAAR EGYPTIAN ARMY AND BY THE THUGS
PARADING AS 'MUSLIMS'.**

Our comment in this bulletin is the effect of emotion – the emotion which springs from the bedrock of Imaan. Rasulullah (sallallahu alayhi wasallam) said:

The Muslim nation is like a single person. If the eye pains, the whole body is affected. If the head pains, the whole body is affected.”

Insha'Allah, in a future article, the situation in Egypt shall be dispassionately discussed in the light of the Shariah. Presently, the response of every Muslim is emotional, and emotionally we should make dua imploring Allah Ta'ala to send His Nusrat, and to destroy the enemies of Islam and the enemies of the Ummah. May Allah Ta'ala guide and protect the Egyptian brethren from the debauchery and murder of the Egyptian kuffaar.
