

THE CHURCH BOMBING IN PAKISTAN 78 KILLED, 120 WOUNDED

QUESTION

How does Islam view the recent bombing of a church in Peshawar, Pakistan where 78 were killed and 120 wounded? Is it permissible for Muslims to embark on such actions which kill and wound people indiscriminately?

ANSWER

There is no conundrum in Islam's view regarding the commission of atrocities in which civilians unconnected with the war are recklessly and indiscriminately killed and injured even if they are not innocent. Planting bombs in places of worship, market places and other civilian institutions is quite obviously not permitted by Islam. This in a nut shell is Islam's view. There are no two views of the Shariah on this issue. Elaboration for comprehension is not necessary.

However, there is another dimension or a darker façade to these kinds of atrocities which the kuffaar advertise as 'Muslim' or 'Islamic' operations when in reality there is no relationship between Muslims/Islam and these false-flag atrocities perpetrated by vile, brutal, ruthless sinister forces who are enemies of Islam and the Ummah. Regarding these plots engineered by sinister satanic outside forces, the Qur'aan Majeed states:

"Verily, they have plotted their conspiracy whilst their conspiracy is by Allah.

Most certainly, their plots can displace even mountains."

In these brutal sagas, the attitude of westernized Muslims is indeed lamentable. In the bid to placate and appease the western kuffaar (U.S.A., U.K. and Co.), westernized Muslims whose brains have been colonized and brainwashed at western secular educational institutions, clamber on to the same stage of falsehood with the kuffaar to accuse Muslims as being the perpetrators of the false flag atrocities plotted somewhere in Washington, London, Tel Aviv, etc. When the western scoundrels blame Muslims for the atrocities, their serfs and mental slaves (those Muslims with western colonized brains) accept such disgorgement as if it is truth on par with Wahi from Allah Ta'ala.

Muslims who are 'primitive' and orthodox at heart, never perpetrate the kind of brutality and atrocity which the kuffaar are accusing them of. In this era of advanced technology, pulling of an atrocious stunt such as bombing a market place or a temple is a simple operation. The outside sinister devils require the aid of only one or two corrupt persons bearing Muslim names. They may be drug addicts, or scoundrels just as their paymaster handlers are. Bombing a Christian church or a Shiah temple is executed for attainment of the objective of stirring up fitnah and fasaad in the different religious communities who have coexisted harmoniously for many centuries in the Muslim lands.

The Shiah-Sunni conflicts witnessed in Iraq and Pakistan, and Hindu-Muslim conflicts occurring in India (not in Pakistan) never were a phenomenon even a few decades ago. For centuries when Islam regained these lands, there never were such problems of religious anarchy. These are recent developments spawned by the U.S.A. and Israel after the ending of the cold war era with the demise of the USSR.

Muslims, due to their practical abandonment of the Shariah and the Sunnah, and their baboonic aping and emulation of western kuffaar culture, have all become soft and deranged in

their brains. Their thinking operates either lopsided on in reverse gear, hence they simply lap up all the filth and poison which the West disgorges for their consumption. Whatever rubbish emerges from the West becomes the inviolable 'truth' for stupid Muslims. They simply accept that the church in Pakistan was bombed by an Islamic group whereas it is the satanic plot of outside sinister forces employing local kuffaar masquerading as Muslims. In Pakistan's Intelligence agencies such kuffaar are readily available. For money, they sell and rape their own mothers. That is what the Pakistani shaitaani Intelligence agency did to their mother, Dr. Afiyah who is today languishing in a brutal American torture facility, having been sentenced to 85 years without trial.

Every atrocity perpetrated by western sinister forces is heaped on to Muslims and Islam. Yet, Christians and Christianity are never blamed for the ghastly murderous atrocities which followers of this religion perpetrate from time to time. When America and its coalition murderers maim, torture, rape, and brutally kill Iraqi Muslims and Afghaani Muslims – when they pummel whole villages from the air using even chemical bombs, when they pillage and plunder nations, then these stupid westernized 'Muslims' with colonized brains are not swift to issue statements of condemnation. But when an atrocity is committed by U.S. and Israeli sinister forces in the name of 'Islam', then Muslims with colonized brains submit obsequiously to the false satanic propaganda churned out by the western media. For such fools and idiots, all followers of the Sunnah are 'terrorists' who are blamed for these atrocities which are enacted by the western kuffaar conspirators. The profile of a 'terrorist' in this era is a Muslim who performs Salaat, has an Islamic outer appearance, abstains from liquor, television and other haraam western immoral institutions and promotes Hijaab. This conception of a 'terrorist' has been dinned into the ears of the Muslims with colonized brains, and ingrained in their hearts bereft of true Imaan.

MUSLIMS AND ISLAM HAVE NO SHARE IN THE PERPETRATION OF THE HORRENDOUS ATROCITIES WHICH ARE INCREMENTALLY BECOMING FEATURES OF THE WORLD'S LANDSCAPE. THE WEST FOR ITS SURVIVAL DEEMS THE ENACTMENT OF SUCH ATROCITIES VITAL
