HOSTING MURDERER SISI'S MURDERER MUFTIS

BOGUS UUCSA, MJC, NNB JAMIAT & KZN JAMIAT HOSTING THE EGYPTIAN MURDERERS OF IKHWAANUL MUSLIMEEN

SISI, THE BUTCHER OF EGYPT, WHO HAS DEPOSED AND IMPRISONED EGYPT'S LAWFULLY ELECTED PRESIDENT MUHAMMAD MORSI, ALONG WITH TENS OF THOUSANDS OF MUSLIM BROTHERHOOD MEMBERS, AND EXECUTING HUNDREDS OF MORSI'S SUPPORTERS, IS SENDING A DELEGATION OF VILE 'ULAMA'-E-SOO' TO SOUTH AFRICA ON AN ADVERTISING CAMPAIGN TO PROMOTE AND WHITE-WASH HIS BLOODY IMAGE PAINTED WITH MURDER.

The delegation of vile scholars for dollars on SiSi's payroll, is scheduled to land in South Africa on 2 October 2016 and go on an advertising campaign to boost the bloody image of Sisi, the Butcher until 6th October 2016. The satanic 'mufti' who shall be in the delegation is the Devil-in-Chief who had endorsed Morsi's death sentence decreed by The Butcher's Tribunal of Murder. The following press report casts more light on the murderous profile of Egypt's state muftis.

“The Egyptian news website Misrawi said that Dr Shawqi Allam, the Grand Mufti of Egypt, has

endorsed the death sentence against former president Mohamed Morsi and the rest of the defendants in the case of their escaping from Wadi al-Natroun Prison.

In Egypt, all death sentences must have the endorsement of the country's mufti, who as the government's leading religious authority is asked for a religious opinion on each case. Scores of other cases have also been referred for the mufti's opinion on the sentences, according to the Middle East Monitor website.

In the almost three years since the 2013 coup that ousted Morsi, Egypt's only freely elected president, Egyptian authorities have cracked down on his supporters and members of his Muslim Brotherhood group, killing hundreds and throwing tens of thousands behind bars.

The Misawri website cited sources as saying that the mufti sent his reply in secrecy to the criminal court, in which he said that the Mufti's Office had approved the court's decision.

The website said that the Cairo criminal court had referred the papers of Morsi and a number of Muslim Brotherhood leaders, foremost among them Issam al-Iryan and Saad al-Katatni, to the mufti for a religious opinion about their sentences.

According to the website, the other defendants are: Muhammad Khyrat al-Shatir, Muhammad al-Biltaji, Ahmad Abd al-Aati, Sayyid Mahmoud Izzat, Mitwalli Salahuddin, Ammar Muhammad Ahmad, Fayid al-Banna, Ahmad Rajab Sulayman, al-Hassan Muhammad Khayrat Saad al-Din Al-Shatir, Sundus Aasim Sayyid Shalabi, Abu Bakr Kamal Mshali, Ahmad Muhammad Hakim, Rida Fahmi Khalil, Muhammad Osama, Hussein Muhammad al-Qazzaz, Imad al-Din Ali Atwah and Muhammad al-Zayyan.”

With blatant disregard for the Shariah and for the Deeni emotions of the Muslim community of South Africa, the BOGUS ‘uucsa’, who was recently kicked out from the Western Cape High Court by Order of the Pretoria High Court, and represented by the MJC, NNB Jamiat and KZN Jamiat, has planned to host the Butcher’s delegation of Vile Scholars. Some of the evil rat scholars who support SISI’s murderous and barbaric imprisonment, torture and killing of Morsi’s supporters will be hirelings from Palestine and Sudan.

In Cape Town, the Carrion Halaalizer, MJC will be hosting The Butcher’s delegation, while in Durban, the miserable, decrepit and spineless KZN Jamiat has been given the evil task of playing host to the Murderer Muftis. We state without fear of contradiction, that the majority of the Ulama of Natal are opposed to this evil decision of the KZN Jamiat to host the evil mufti who has endorsed Morsi’s death sentence on the orders of Sisi. It is lamentable that these Ulama are not making their voices heard.

One senior member and official of the KZN Jamiat commented on the forthcoming visit of the delegation of Murderers:

“How can we even think of hosting the criminal who endorsed the death sentence against Hafiz President Muhammad Morsi, is beyond my understanding (and the understanding of numerous of our Ulama).

MJC can expect a serious backlash if the community discovers who Mufti Shawki is. MJC detractors will have a field day. Public protests are not to be discounted. Protests

will take different forms. The general membership of the MJC must be considered as they are the ones who will have to face the music on the ground.” (We hope that the general membership of the MJC Carrion Halaalizer, is not in conformity with the stance of their haraam, vile leadership who betrays Islam and the Ummah at regular intervals for the sake of the despicable mundane objectives of the world. – Al-Haq). Continuing his statement, the senior KZN Jamiat Mauana said:

“Their intended visit for South Africa is planned for 2nd and 3rd October, 2016. The main objectives of their visit as outlined by the Egyptian Embassy in Pretoria is to:

- 1. Support the efforts made by the MJC and other Ulama bodies in South Africa in their service to Islam.***
- 2. Correct possible wrong fatwas and underlining the real moderate values of Islam.”***

This is the shaitaani deceptive talk of the bloodthirsty Egyptian Butcher who is scavenging for the support of scavenger scholars for dollars of the MJC and NNB Jamiat type. Thus has he despatched his murderer muftis who enlist the support of the traitors of Islam such as the MJC. The other Carrion Halaalizer, SANHA is bound to be roped in by the MJC for kow-towing to the Murderer Mufti. SANHA has no choice in view of its haraam ‘halaal’ certificates having been granted some acceptance in Egypt.

The KZN Jamiat’s Maulana , adds: *“The state Muftis of Egypt are controlled by the Sisi government. They have issued very controversial fataawa.*

(In fact, corrupt, haraam, satanic ‘fatwas’ inspired by Shaitaan himself – Al-Haq).

These muftis are also anti-Palestine, pro-Assad and anti-Erdogan. Some of Egypt’s muftis

(i.e. the haraam state muftis)

are against Hijaab, claiming it to be a culture and not part of the Deen. A while back, Mufti Ali Jumuah who was the state Mufti, said that people do not have to attend the Musaaqid. They can follow the Imaam on TV at home.....”

It was Iblees himself speaking in the guise of an Egyptian state scholar for dollars.

By what vestige of conscience can the KZN Jamiat justify its membership of BOGUS 'uucsa'? If they have a semblance of Imaani conscience, they will never be able to remain a moment in the embrace of those who host murderers and who have repeatedly sold Islam down the drain.

IT IS NECESSARY FOR MUSLIMS AND MUSLIM ORGANIZATIONS TO VOICE THEIR PROTESTS AGAINST SISI'S VILE DELEGATION OF SCHOLARS FOR DOLLARS. THE BUTCHER'S DELEGATION SHOULD BE INFORMED THAT IT IS NOT WELCOME IN SOUTH AFRICA; THAT THE MUSLIM COMMUNITY ABHORS THEM; THAT THE VAST MAJORITY OF THE MUSLIM COMMUNITY SUPPORTS PRESIDENT MORSI AND MAKES DUA FOR HIM; THAT THE MUSLIM COMMUNITY CURSES SISI AND HIS EVIL MUFTIS.

THE VAST MAJORITY OF THE MUSLIM COMMUNITY OF SOUTH AFRICA IS OPPOSED TO THE VISIT OF SISI, THE BUTCHER'S SHAITAANI DELEGATION OF SELL-OUT SCHOLARS!!!!
