You – the Shiah of Iran; the Shiah of Afghanistan; the Shiah of Hezbollah.

Yes, you are the Shiah of the Lebanese and the Palestinians.

Now you are going to Shaam; to a sacred battle.

Yes, now we are preparing you to go to demolish their Musajjid and build Husainiyyaat (Shia Temples).

If there are men among the Ahlus Sunnah then let them come forward.

We are waiting for them on the battlefield.

Yes, if there are men among the Ahlus Sunnah who wish to defend their Musajjid and who wish to defend the Sahaabah then let them graciously come onto the battle arena.

Labbaik, Labbaik, Labbaik!

Dear Friends!

Now we are going to fight to drive back these people.

These people now are enamoured; are engrossed with the dunya; engrossed with money; engrossed with relaxation.

Now friends, it is OUR TIME. Now it is OUR TIME.

Labbaik, Labbaik, Labbaik!

Now **we are going to inflict a severe blow to the Sunnah** (sic). [Emphasis of the Shi'i priest]

Now **we are going take revenge from the Sunnah** (sic). [Emphasis of the Shi'i priest]

Yes!

We are the Shiah.

I said to you a short while ago that we are going to take revenge from these people.

We will face you soon.

If you have among you men, the battlefield is ready.

Labbaik, Labbaik, Labbaik. *(End of the speech of the Devil)*

About these *shayaateen* in human bodies, the Qur'aan Majeed states:

***“Verily hatred has poured from their mouths (for you), but what their hearts conceal is worse.”***

Iraq is the terrain of the Shiah kuffaar, hence the Shiah priests over there feel comfortable to give the fullest expression to the hatred in their hearts for the Sahaabah and the Ahlus Sunnah Wal Jama'ah. However, when they are not on their home terrain, they emerge from their holes of *nifaaq* as snakes and with extreme hypocrisy and huge hyperbole raise slogans of 'brotherhood' for the Ahlus Sunnah. Without the hyperbole and gross lies they will not be able to hoodwink even stupid Muslims.

Their stercoraceous doctrines of falsehood and lies are satanically adorned with further compounded lies to ensnare the morons and the zindeeqs while in their home terrain they do not demonstrate the slightest restraint in letting loose the filth of hatred devouring their hearts and souls. The opprobrium of these shaitaan-hearted sub-human specimens of humanity revulses all people of sanity whether Muslim or non-Muslim. The terror of Shiah cruelty is all-pervasive and it compels human beings to recoil with shock. Their inhumanity is too visible to camouflage. Their inhumanity, especially towards the Ahlus Sunnah, is absolutely revolutive.

Then they hypocritically fabricate stupidities such as the 'Cape Accord' to entrap stupid Muslims, and Zindeeqs who masquerade as Muslims such as the modernists, and those whose Imaan dangles by a thread.

***BEWARE OF THE SHIAH MUNAAFIQEEN! DO NOT BECOME ENSNARED WITH THEIR 'SWEET' SHAITAANI TALKS WHEN THEY ARE NOT ON THEIR HOME TERRAIN. KNOW THAT THEY ARE GREATER ENEMIES THAN IBLEES HIMSELF, WORSE THAN THE YAHOOD AND NASAARA***
