THE SANMWF'S CONGLOMERATE OF ZAANIYAH SPEAKERS

Rasulullah (Sallallahu alayhi wasallam) said:

*“Never ever will prosper a nation who hands
over its affairs to a woman.”*

Every day in this era in proximity with Qiyaamah, a new *fitna* is created by the Zanaadaqah and Munaafiqeen masquerading as Muslims. This miserable entity is organizing a shaitaani ‘Sisters and Youth Empowerment’ conference in glaring and diametric conflict with every Law of Islam. These miserable aunts are morally and spiritually bankrupt. They lack the understanding of even the very basics and rudiments of the Deen, yet they are setting themselves up as guides of the Ummah while in reality they are all puppets of Iblees.

Besides their deceptive guise of Muslim names, there is nothing of Islam and nothing of Imaan in the clique of misguided women who have been picked to speak to the public at the conference of Iblees. The objective of this satanic conference is to destroy Islam. This is always the objective of all gatherings and conferences of all modernist juhala.

It will be a conference of *Zaaniyaat*. Women who project themselves in the public domain are *zaaniyaat* in terms of the Shariah. We are living

in the era of Zaanayah-Liberation, hence the preponderance of faasiqaat, faajiraat, zaaniyaat and munaafiqaat in the public domain. The one consolation Muslims have is that only women of the same ilk attend such gatherings where lewd zaaniyaat are the speakers. Women of genuine Hijaab never participate in satanism – lewd and immoral satanism in which the zaaniyaat excel.

Their advices and topics are satanically deceptive. All these women who prowl around in the public domain are, in the words of Allah Ta’ala *Habaailush Shaitaan (The Traps of Shaitaan)*. On the occasion of the expulsion of Iblees from the heavens, he supplicated to Allah Ta’ala for ammunition and for snares to enable him to ply his obnoxious trade of satanism in the dunya. Granting his supplication, Allah Ta’ala said: “*Your habaail (snares/traps) will be women.*”

In these times heralding the advent of the Hour, shaitaan is planting his Female Snares in large numbers all over the world. We are therefore living in a veritable spiritual minefield. Muslims are required to manoeuvre themselves with great caution in this minefield to avoid blowing up their Imaan.

Satanists are in control of the Zaanayah-Lib movement. These stupid *Naaqisaatul Aql* females are all being manipulated by the Agents of Iblees in the conspiracy to scuttle the Deen.

Female Fitnah will be on the increase as we approach Qiyaamah. The Ulama-e-Haqq should vigorously address this Fitnah. Withdrawing into a fortress of silence is in reality abandonment of the Waajib obligation of *Amr Bil Ma’roof Nahy Anil Munkar*. The Ulama are required by Islam to offer guidance and naseehat regardless of rejection by the public which is today dominated by the modernist zanaadaqah. Our obligation is to only proclaim the Haqq, loudly and unambiguously.

The truth is that the miserable bunch of Zaaniyaat who will be the clowns speaking at the haraam, shaitaani conference are all, without any exception, Munaafiqaat. They are absolutely bereft of Imaan. So do not be deceived by the Muslim names they field.
