COVID SATANISM

AUSTRALIA – A CONCENTRATION CAMP of BRUTAL REPRESSION AND OPPRESSION

From Australia a Mufti writes:

“Since the start of this pandemic we have taken the anti-vaccine stance. We have fought tooth and nail in creating awareness. We have given various talks on different platforms highlighting the harms and have circulated your fatwa far and wide. Alhamdulillah many people have followed and till current resisted to take the vaccine.

However the way these shaytaani governments are playing the game, they have literally made us prisoners in our own homes. In Victoria, Australia we have been in severe lockdown for months. Curfews, helicopters, riots! We feel we in a war zone. All because of a vaccine. It made us all doubt it further.

Now the unvaccinated cannot go to the Masjid for Salaat and even for Jumuah. There is a 10 000 dollar spot fine. The unvaccinated cannot go shopping or enter public spaces. Unvaccinated cannot travel or work. Innumerable people have lost their jobs, and can not travel to their respective countries and visit their ill parents. Children can not attend Makaatib, Masaajid and there are many other repercussions.

We tried to resist this oppression right till the end. However now as we are cornered, is there any concession for us by the Shariah. Everyday I get scores of calls as people are immobilized and cannot function. I have been firm on my stance but too what extent should we resist? I will appreciate your advice in this matter.”

(End of the Mufti's letter)

The repression, oppression and governmental brutality are on the increase in Australia. The country is perhaps the worst and the vilest link in the Bill Gates conspiracy. The regime in Australia consists of human specimens who are pretending to be insane. The brutality is a carefully plotted scheme for the attainment of the

nefarious objectives of the group of human-devils who are the engineers of the pandemic fraud. Most governments have been bribed and co-opted into this massive satanic plot.

Be this as it may. From the Islamic perspective it is imperative to understand that nothing happens without the decree of Allah Azza Wa Jal. The Qur'aan Majeed states explicitly: *“Not a leaf drops (from a tree), but He is aware.”* It is with the direct intervention and command of Allah Ta'ala that the maut of even a leaf occurs. Allah Ta'ala states in the Qur'aan Majeed:

“Nothing, be it the finest particle in the earth or in the heavens, is hidden from your Rabb, but it is recorded in a Clear Book.”

The pandemic plot will run its divinely ordained course and will then end. Nothing in creation endures forever. It is essential for Muslims to understand that even this fraudulent pandemic plot is a punishment of Allah Ta'ala for our gross transgression and rebellion against His Law. The punishment of Allah Ta'ala assumes a variety of forms. As long as Muslims do not repent and reform themselves in the light of the Sunnah, the hardships and the punishment will be incremental. One form of punishment is the domination of brutal regimes such as the Australian government.

Like in all countries, Muslims in Australia are a disgrace to Islam, and the molvis and sheikhs are the worst. Allah's *Athaab* is commensurate with our rebellion and treason. The more we sin, the greater will be the punishment which will endure until our eyes open to understand the cause of our humiliation and the punishment. When confronted by any issue, the Deen should not be excised.

Muslims from many countries have migrated to Australia because they saw greener worldly pastures over there. The Deen was never in their agenda. They settled in Australia and made the Deen a handmaid of the secular and monetary pursuits. The objective was only the dunya, hence the Deen became a cult of insignificance. Now what they are experiencing is the *Athaab* of Allah Ta'ala.

THE POTION OF IBLEES

Coming to the method and potion of Iblees (vaccination and vaccines), there is not the slightest vestige of doubt in these satanic artefacts being **haraam**. When confronted by the brutality of the satanic regime and one lacks the *roohaaniyat* (spiritual stamina) to resist and bear the hardships, then it will not be sinful to submit to the zulm (cruelty and injustice). In such a scenario, however, while it will not be sinful to submit to the brutality, the reality of the harms of vaccination is inescapable. It is like ingesting poison by force or being fed pork by force. Taking the poison and consuming the pork in such brutal circumstances will not be sinful. Nevertheless, the waiver for sin does not cancel the extremely harmful physical effects of the potion of the devil.
