BEWARE OF ASI, THE AGENT OF SHIAH SATANSIM

Currently a host of Shiah agents is promoting a translation of the Qur'aan dubbed, *The Ascendant Qur'an*. This translation has been rendered by an ex-Wahhaabi, ex-Saudi supporter who has abandoned his Saudi masters for Shi'ism. After abandoning his Wahhaabi-Saudi bosses whom he was vigorously bootlicking, he joined Iblees by embracing the Shiah religion. This chap, called "*Imam Al Asi*" who is currently visiting South Africa as an Agent of the Shiahs, is on a mission to deceptively propagate the Shiah religion.

The following statement of his Imaam, the notorious Khomeini, will serve as an adequate introduction of the Shiah religion and the shayaateen who subscribe to Shi'i doctrines:

"Man can have sex with animals such as sheep, camels and so on. However, he should kill the animal after he has his orgasm. He should not sell the meat to the people in his own village. But selling the meat to a neighbouring village is reasonable."

This extremely obscene statement promoting such bestiality which shocks even Iblees, appears in Khomeini's book, *Tahreer al-Wasila*, page 253. This statement is the essence and a concise summary of the Shiah religion which this fellow, Asi and the other Shiah agents are deceptively propagating among Muslims.

There is absolutely no affinity between Shiahs and the Qur'aan Majeed. And how can there be any valid relationship between these two mutually

repellent opposites when a cornerstone of Shiah belief is that the Qur'aan is the fabrication of the Sahaabah. They vigorously and vehemently denounce the Qur'aan Majeed which Muslims have believed in and have been reciting since the era of the Sahaabah.

The Sahaabah were the compilers of the Qur'aan Majeed. But according to the Shiah religion, almost 100% of the Sahaabah had become *murtadd* (*Nauthubillah!*) after the demise of Rasulullah (Sallallahu alayhi wasallam). Thus the current Shiah claim that they do accept the Qur'aan which is in OUR possession, is a villainous satanic LIE based on their holy hypocrisy doctrine called *taqiyaah*.

In terms of this evil doctrine it is highly meritorious to LIE to Muslims in order to conceal the true beliefs and practices of Shi'ism in the attempt to beguile and ensnare Muslims into accepting the Shiah religion. Their religious books are cluttered with venom for the Sahaabah and explicit denunciation of the Qur'aan Majeed.

Therefore understand well that the Shiah translation dubbed, "*The Ascendant Qur'an*" is a cog in the Shiah conspiracy to trap Muslims and to undermine Islam.

IT IS NOT PERMISSIBLE TO SUPPORT THIS SHIAH PLOT IN ANY WAY WHATSOEVER. IT IS HARAAM TO DONATE MONEY FOR THE PUBLICATION OF THIS PLOT OF IBLEES WHICH THE SHIAH, AL-ASI AND HIS HOST OF AGENTS ARE CURRENTLY MARKETING IN SOUTH AFRICA.

The following is a list of Shiah agents operating under the wing of Al Asi. Beware of them!
