BOOTLICKERS!

Question: Please view the picture of a group of Muslims posing outside a church to denounce ISIS. Is their action permissible in terms of the Shariah?

ANSWER

ISIS is undoubtedly, in error. In fact it is an American conspiracy. Nevertheless, the rank and file who have been duped to join ISIS are Muslims despite their stupidity, gullibility and error.

The group of morons in the picture consists of fussaaq and fujaar bootlickers. Their stupid coonery in front of a kufr place of worship is designed to flatter and bootlick the kuffaar.

Their demonstration is silly, stupid and haraam. In fact, it is a zina group with men and women intermingling. Perhaps they are munaafiqeen. The show is indeed a miserable display of bootlicking. The bootlicking motive of the clowns is so conspicuous that it is visible to even the blind.
