COVID Fraud – Lawyers & Medical Experts start legal proceedings against W.H.O and World Leaders for ‘Crimes against Humanity’

By [The Daily Expose](#) on [May 7, 2021](#) • ([198 Comments](#))

A team of over 1,000 lawyers and over 10,000 medical experts led by Dr. Reiner Fuellmich have begun legal proceedings against the CDC, WHO & the Davos Group for crimes against humanity.

Fuellmich and his team present the faulty PCR test and the order for doctors to label any comorbidity death as a Covid death as fraud. The PCR test was never designed to detect pathogens and is 100% faulty at 35 cycles. All the PCR tests overseen by the CDC are set at 37 to 45 cycles. The CDC admits that any tests over 28 cycles are not admissible for a positive reliable result. This alone invalidates over 90% of the alleged covid cases / ”infections” tracked by the use of this faulty test.

In addition to the flawed tests and fraudulent death certificates, the “experimental” vaccine itself is in violation of Article 32 of the Geneva Convention. **Under Article 32 of the 1949 Geneva Convention IV, “mutilation and medical or scientific experiments not necessitated by the medical treatment of a protected person” are prohibited. According to Article 147, conducting biological experiments on protected persons is a grave breach of the Convention.**

The “experimental” vaccine is in violation of all 10 of the Nuremberg Codes which carry the death penalty for those who seek to violate these International Laws.

The “vaccine” fails to meet the following five requirements to be considered a vaccine and is by definition a medical “experiment” and trial:

Provides immunity to the virus

This is a “leaky” gene therapy that does not provide immunity to Covid and claims to reduce symptoms yet double-vaccinated are now 60% of the patients requiring ER or ICU with covid infections.

Protects recipients from getting the virus

This gene-therapy does not provide immunity and double-vaccinated can still catch and spread the virus.

Reduces deaths from the virus infection

This gene-therapy does not reduce deaths from the infection. Double-Vaccinated infected with Covid have also died.

Reduces circulation of the virus

This gene-therapy still permits the spread of the virus as it offers zero immunity to the virus.

Reduces transmission of the virus

This gene-therapy still permits the transmission of the virus as it offers zero immunity to the virus.
