A CULT OF IBLEES

BEWARE OF THIS IBLEES!

BEWARE OF THIS ROBBER OF IMAAN!

A Brother, informing about a genuine Devil in human form says:

“Unfortunately, many ‘Muslim’ women are trapped into kufr by an evil man in Raslow Pretoria. He operates a dajjaali sect. Apparently he was at one time a sheikh of tasawwuf. However, he has now deviated and claims to be a reincarnation of Nabi Isaa (Alayhis salaam). He also teaches that Salaat is outdated.

Women are leaving their husbands and destroying their Imaan and their kids. This man is operating a dangerous cult of kufr.” *(End of the Brother’s letter)*

He was and still is a ‘sheikh’ of statanism. Never was he a sheikh of Tasawwuf. Understand well that only women who have been created to be fuel for Jahannam will desert their husbands and children to voluntarily become embroiled in the snare of kufr of this man who is Iblees incarnate.

Iblees has created in him the hallucination of him being the ‘reincarnation’ of Nabi Isaa (Alayhis salaam). Furthermore, drugs aggravates satanically created hallucinations and illusions.

As for the women who become entrapped in the satanism of this Iblees-Incarnate scoundrel, they are inherently evil. No woman of Imaan will fall into the trap of this illegitimate son of Shaitaan. Women who are by nature immoral incline to satanism. When they find some scoundrel propagating satanism in deeni guise, they swiftly become hooked to him. Under deeni guise they give vent to their immorality which is justified with satanic occult practices.

No amount of naseehat will benefit these satanic vixens who in reality never had Imaan. Their life as ‘Muslims’ was a great deception and for some of them self-deception.

Husbands should understand that wives who are lured into the den of this Iblees are murtad. The Nikah terminates. Only if the evil murtaddah repents and renews her Imaan, should the Nikah be renewed.
