ZUBAIR BAYAT'S FORKED- TONGUED HYPOCRISY

Zubair Bayat, the first Shaitaan in the country along with the Munaafiq MJC to close the Musaajid and institute devil's distance in the Musjid and advocate the donning of the niqaab of Iblees, in a forked-tongue portrayal of his hypocrisy, said in one of his stupid talks:

“Social distancing is an opportunity for families to bond, every home becoming a Masjid, Khaanqah, Markaz and vibrant spiritual centre.”

This miserable shaitaan and munaafiq, in this devious statement lauds the protocols of the atheists, but at the same time in order to put across that he is a Muslim, the miscreant says: *“Allah Ta’ala is giving us a big wake-up call and a warning --- This is a blessing in disguise for the believers ---Hold onto A’mal, such as the morning and evening Duas, Darud Sharif, Istighfar, Salatul Hajat, etc.....”*

He implies that the homes, due to the observance of the protocols of the atheists which brought about the closure of the Musaajid which these Munaafiqeen such as Bayat fully endorsed, are better suited for becoming ‘spiritual centres’ than the Musaajid which are the Spiritual Centres and the Spiritual Hearts of the Ummah. The Musaajid are the HOUSES OF ALLAH. The Musaajid are our spiritual centres. Rasulullah (Sallallahu alayhi wasallam) said that the “Best” places of earth are the Musaajid. But these rubbishes bootlicking the government and the kuffaar court called for the destruction of the Houses of Allah.

With such hypocritical sweet and deceptive spiritual talk does this *shaitaanul ins* (human devil) attempt to justify the satanic protocols which are haraam and kufr. These measures are kufr since they are based on the theories of the atheists and are in diametric conflict with the Qur’aan and the Sunnah of Rasulullah (Sallallahu alayhi wasallam). The sweet, deceptive descriptive, paraphernalia language the miscreant utilizes for peddling his haraam advices is described as follows in the Qur’aan Majeed:

“Thus, have We (Allah) appointed for every Nabi enemies who are human and jinn devils. They whisper to one another *zukhrual qawl* (deceptively adorned words) to deceive (the ignorant and the unwary)...”

One of the main causes for the current looting, pillaging and plundering is the CLOSURE OF THE MUSAAJID by the Munaafiqeen such as Bayat, MJC and the NNB jamiat of Forsdburg, and condoned by the ignorant musallis. The Musaaqid are the abodes on which the Rahmat of Allah Ta’ala descends at all times. This Avenue of Rahmat has been closed in the wake of the closure of the Musaaqid. The vacuum has been filled with **LA’NAT (DIVINE CURSE)**. Muslims have pillaged and plundered the sanctity of the Musaaqid in obedience to the haraam and filthy disgorged by the Munaafiqeen of Bayat’s ilk. Now their businesses and their homes are being looted and their lives threatened by barbaric mobs of atheists.

When Muslims have killed the Musaaqid they can never establish their homes as ‘vibrant spiritual centres’ as the shaitaan, Bayat attempts to deceive Muslims. ‘Social distancing’, contrary to what the munaafiq says, is not an ‘opportunity for families to bond’. On the contrary, it is a curse which invites shayaateen, and the *Ghadhab (Wrath) and La’nat (Curse)* of Allah Azza Wa Jal. Rasulullah (Sallallahu alayhi wasallam) stated with clarity and with emphasis that the ‘social distance’ gaps are abodes for the shayaateen, and these devilish gaps create disunity in the hearts of the musallis.

“*Holding onto A’maal*” as stupidly said by the Munaafiq, while engrossed in disobedience, fisq and fujoor is of no benefit. The Rubbish proffers advice deceptively to create the impression that he is a person of the Deen when in reality he is an agent of Iblees. The A’maal he has mentioned will benefit only if Muslims abandon their present lifestyle of fisq and fujoor – a lifestyle taught to them by the *ulama-e-soo’*, of which this Bayat fellow is a prominent member. All the so-called ‘deeni’ functions and activities organized by Bayat and cliques of his ilk are accursed merry-making functions executed in the name of the Deen. This is a sign of Qiyaamah according to the Hadith.

These *ulama-e-soo’* are the primary cause for the suffering of the Muslim masses. They have ruptured the ties of Muslims with Allah Ta’ala. They have driven a wedge between the masses and Allah Ta’ala. They have led the ignorant ones far, far from Siraatul Mustaqeem. They are the worst Rubbishes feared by Rasulullah (Sallallahu alayhi wasallam). Our Nabi (Sallallahu alayhi wasallam) feared these evil *ulama* more than even Dajjaal. That means that they are worse than Dajjaal, for they mislead via the Deen. They camouflage their haraam with Deeni terminology to mislead the masses.

These vile molvis and miserable sheikhs, in the words of our Nabi (Sallallahu alayhi wasallam), are the “worst” specimens of humanity “under the canopy of the sky”. Since they are the worst “*under the canopy of the sky*”, it flows as a necessary corollary that they are worse than the Yahood, Nasaara, Kilaab and Khanaazeer. These creations of Allah Ta’ala are also “under the canopy of the sky”, but Rasulullah (Sallallahu alayhi wasallam) said that the *ulama-e-soo’* are the “worst”.
