COVID SHAITAANIYAT **RESORT TO TAUBAH!**

Those Muslims, especially molvis and muftis who have committed the zulm of negating the *Laa Adwaa (There is no contagion)* declaration of Rasulullah (Sallallahu alayhi wasallam) – the zulm of advocating closure of the Musaa'jid – the zulm of suspending Jumua Salaat – the zulm of banning Jamaat Salaat – the zulm of believing in the efficacy and goodness of the Niqaab of Iblees (the shaitaani mask) – the zulm of observing shaitaani distancing, and the zulm of supporting the theories and protocols of the atheists – all such Muslims MUST resort to Taubah.

Allah's Athaab is severe. When his Whip strikes, then it will be too late for Taubah, and too late to regret. The very Athaab (the covid satanism) which these molvis and muftis believe can be combated and thwarted by observing the protocols of the atheists will hem them in. Maut which these molvis and muftis believe can be foiled with the implements of Iblees – the protocols of the atheists – will apprehend them at the appointed time. Flight from Maut and Allah's Taqdeer is not possible.

Understand well that it is KUFRA to reject the declaration of Rasulullah (Sallallahu alayhi wasallam). No amount and no kind of interpretation can justify the rejection by the miscreant muftis of this era. These muftis, molvis and sheikhs have become agents of Iblees and agents of the government. Thus, instead of being the Defenders of the Shariah, they find themselves in the camp of the atheists and defending and propagating the haraam theories and protocols of the enemies of Allah Ta'ala.

One by one Allah Ta'ala will apprehend them with the very Athaab (the covid satanism) which they seek to escape by way of rejecting the Shariah and adopting the excreta of the atheists. Nothing will save them. Hasten to Taubah. Renew your Imaan and make Dua.
