# **THE MUSAAJID**

## **THE HYPOCRITICAL**

### **SOMMERSAULT SHENANIGANS**

#### **OF THE MUNAAFIQ MJC**

***“The HAQQ has arrived and BAATIL has vanished, for verily baatil (by its very nature) must perish.”***  
***(Qur’aan)***

As much as the carrion-dealer, MJC and its cohorts, the NNB jamiat and bogus uucsa had been at great pains in their abortive, haraam labour of peddling their plot of closing the Musaaajid, suspending Jumuah and the Fardh Salaat, and promoting the satanic protocols of their atheist masters whose filthy boots they have been and are still obsequiously licking, the HAQQ has now compelled them to further expose their *nifaaq* by means of a somersault which no screen can conceal.

Constrained by widespread criticism of its kufr of having closed the Musaaajid and suspended Jumuah Salaat, etc., the MJC has now made a U-turn by hypocritically singing the praises of the Musjidi and the importance of the Musaaajid as proclaimed by Rasulullah (Sallallahu alayhi wasallam). Without a shred of skin on their ugly carrion faces, the MJC shaitaani sheikhs are now piping the theme of the *fadhaail* of standing shoulder to shoulder in the Saff.

They are now citing Ahaadith which extol the holiness, sanctity and absolute importance of **the Musaaajid which they had struggled in vain to close.**

Despite these Munaafiqeen having gone to the kuffaar court as ‘friends of the court’ and Enemies of Islam, to beg the kuffaar court to close the Musaaajid, and despite these satanic courts complying with the atheists and munaafiqeen, by the Fadhl and Karam of Allah Ta’ala, the Musaaajid which were under control of the Ulama-e-Haqq and uprighteous Trustees remained open and functioned NORMALLY, i.e. as demanded by the Sunnah and the Shariah. Despite all the satanic and pernicious efforts of the despicable rats and *mpimpis* reporting to the police that the Musaaajid are open and functioning, Allah Ta’ala caused them to miserably fail. Their shaitaani plot did not succeed.

In the process of exposing themselves as Enemies of the Deen bent on closing the Houses of Allah Ta’ala, this most unfortunate and miserable MJC, NNB and bogus UUCSA cartels consisting of juhala who are ignorant in even the empirical science of *Istinjaology*, have lost massive credibility. Thus donations have been drastically curtailed. These shameless juhala sheiks and molvis who have laboured to close the Musaaajid are shamelessly begging the public for money to “upkeep the Musaaajid” – the very same Musaaajid which they had plotted to close and eliminate.

Now the MJC says that the Musaaajid are “Fortresses”. But just yesterday, these scoundrels were saying that the **“MUSAAJID ARE SUPER-SPREADERS OF THE COVID DISEASE.”** Just yesterday they were saying that in order to save lives, the Musaaajid must remain close. Absolutely shameless! Shamelessness is an outstanding characteristic of Munaafiqeen.

The MJC states in its stupid statement: *“The first thing the Messenger of Allah did when he arrived in Madinah was build and establish a Masjid.”* But just yesterday these Munaafiqeen displaying their trademark of *Nifaaq* were clamouring and sloganing against the Masjid. They tried to conceal the fact that this very Masjid which Rasulullah (Sallallahu alayhi wasallam) had built and established had remained opened during epidemics; that there was no suspension of Jumuaah over there during the epidemic, and that not a single of the vile, satanic protocols of the atheists was instituted in the Masjid or anywhere else in Madinah and in the Islamic Empire during epidemics.

These jaahil Munaafiqs of the MJC have now realized that the very atheists whom they had been following and whose boots and hinds they had been licking have now changed direction and singing a different tune. Millions of intelligent kuffaar in Europe are staging massive anti-covid, anti-protocol protests. Several countries have scrapped covid stupidities *en toto*. Now these MJC, NNB and

bogus UUCSA *GHUTHA* are realizing that they are incrementally being stranded on a limb. They have stupidly ‘quarantined’ themselves and are seeking an honourable extrication from the corner into which they have painted themselves.

Just reflect on the following nauseous statement of this pork-halaalizing, Munaafiq MJC:

*“The MJC strongly urges our communities to return to their respective Masjid.”*

Utterly shameless and scandalous! For two years they rejected the Qur’aan and the Sunnah to keep the Musaajid closed. They went scandalously overboard in their kufr to ensure closure of the Musaajid. They did not heed the Call of the Qur’aan nor the Call and Demand of the Sunnah because of their bootlicking the authorities. They laboured under the shaitaani idea that in view of having governmental support they have the power to trample on the Deen and the Imaani emotions of the Muslim community. But, they have miserably failed. They are mpimpi sewerage drain rats after the boodle.

The Muslim community does not require the stupid and hypocritical ‘urging’ of a bunch of carrion Munaafiqs to “return” to the Musaajid. The true Mu’minneen had not abandoned the Musaajid during this satanic crisis. Allah Ta’ala protected them in their Musaajid. Only moron – real stupid, quarter-baked Muslims of modernist type had stayed away from the Musaajid. Such rubbishes only pollute the sanctity of the Musaajid. The ‘urging’ of the MJC is directed at such villainous scoundrel munaafiqeen. But no one welcomes the ‘return’ of these munaafiq louts. They should remain far from the Musaajid. They pollute and defile the sanctity of the Musaajid with their evil presence. In the words of the Qur’aan, they are RIJS (FILTH).

To show its ‘concern’ and to flaunt its imagined self-importance, the moron sheikhs of the MJC say: *“...the presidency of the MJC has agreed to open a discussion with the government, urging them to remove the obligation of social distancing within our Masajid.”*

Firstly, You, O Munaafiq! Have no Musaajid. There is absolutely no affinity between you juhala Munaafiqeen and the Musaajid. The Musaajid repel you. The Musaajid CURSE you. You are Mal-oon – under the Curse of Allah Ta’ala, under the Curse of His Malaaikeh and under the Curse of the Mu’mineen. Your brains are necrotized with covid faeces. Your abode is Jahannam.

You and your cohorts do not represent the Muslim community. We warn you, O you Cartel of Munaafiqeen! You have no mandate from the Ulama nor from the

Muslim community to speak on behalf of the Muslim community. The government will be notified of this fact and of the satanic misrepresentation of the MJC.

These Enemies of Allah and Enemies of the Rasool and Enemies of the Ummah, have laboured to keep the Musaaqid closed and to impose the protocols of the atheists even before the kuffaar government had enacted its draconian, unjust, oppressive covid regulations. These *Shayaateenul Iins* (Human Devils) had preempted the government in this satanic exercise in order to portray themselves as timid, poodles of the government. It was all the way bootlicking most disgracefully for the acquisition of worldly and vile gutter-type nafsaani objectives. But Allah Ta'ala has exposed and disgraced these scoundrels, and Allah Ta'ala will further disgrace and emasculate them.

There is no capital to gain for the MJC by now so belatedly showing a 'conciliatory' attitude. No one is interested in the MJC's discussion with the government. The MJC has NO RIGHT – no Shar'i right – to quote Ahaadith regarding the virtues and greatness of the Musaaqid and the imperative importance of the Acts of the Sunnah. The MJC is *person'a non grata* in the Muslim Ummah. Don't attempt to deceive the Muslim community with your silly, hypocritical sweet talk about the virtues of standing 'shoulder to shoulder' in the Musjid. No one is fooled by your stupidities which fool only yourselves. You are in the category of villains about whom Rasulullah (Sallallahu alayhi wasallam) said: *"Their tongues are sweeter than sugar while they have the hearts of wolves."*

**THERE IS ONLY ONE OPTION FOR THE MJC AND ITS LIKE –  
PUBLIC TAUBAH! CONFESS YOUR FLAGARANT SINS WHICH YOU  
ARE JUSTIFYING. REPENT! RESORT TO TAUBAH! ONLY THEN  
WILL YOU BE ACCEPTED INTO THE UMMAH. CURRENTLY YOU  
ARE A STINKING PARIAH!**
