VACCINATED PEOPLE ARE NO LONGER NATURAL HUMAN BEINGS - THEY ARE TRANSHUMANS (UNITED STATES SUPREME COURT RULING)

Vaccinated people are no longer natural human beings, but so-called transhumans (Genetically Modified DNA): all human rights that apply to natural humans cease to apply to these vaccinated transhumans without exception.

UN decision: All genetic material on earth (Including vaccinated people) belongs to BigTech / Pharma - and can be exploited at will.

People vaccinated, as a result of vaccination with genetically modified DNA or RNA on which vaccine manufacturers hold the patents, have already become the property of the patent holder immediately after their first vaccination.

This is the ruling of the United States Supreme Court. Most people, and especially vaccinated people, may have no idea of the following incredible news:

The Supreme Court of the United States has ruled that vaccinated people around the world are considered patented and effectively become the property of the particular manufacturer whose genetically modified material they received via vaccination.

Since the vaccinated person's cells produce this material throughout their life and distribute it throughout their body, the entire body of the vaccinated person is considered the property of Big Pharma.

Thus, vaccinated people are no longer natural human beings, but so-called transhumans: all human rights that apply to natural humans cease to apply to these vaccinated transhumans without exception.

Since 2013, all genetically modified and mRNA vaccinated people are legally so-called trans-humans, they do not get any human rights or even other rights of a state.

All of this applies not only to vaccinated people living in the US, but around the world to anyone who has mRNA sera.

I am fully aware that all of this is hard to believe, but it is a bitter reality and has been deliberately hidden by politicians and the mass media.

Everyone can see it for themselves in the following link from the United States Supreme Court:
