THE BOGUS – FRAUDULENT 'UUCSA'

1. Recently a cabal of persons, molvis and sheikhs' of a dubious nature held a meeting in Port Elizabeth in the name of UUCSA. We hereby inform the Muslim public that this group of imbecile publicity seekers are not members of the genuine UNITED ULAMA COUNCIL OF SOUTH AFRICA. The craving for name and fame has constrained these miserable characters to act recklessly and make reckless claims of being UUCSA when in reality they are FRAUDS masquerading as 'UUCSA'.

This bogus 'uucsa' group of frauds are adept in misappropriating public funds. The community's Lillah and Zakaat funds are squandered in plane fares and merrymaking parties. They congregate to engage in rubbish talk shops passing stupid resolutions which they never implement practically. They only waste and misappropriate public funds to take holiday trips in the name of Islam. They fool and deceive the public with holy talk. The consumption of carrion chickens and mushtabah food has corrupted their thinking and their Imaan, hence misappropriation of charity funds poses no problem for their conscience. Although this group is aligned to ulama bodies, they are prime specimens of 'ulama-e-soo' without exception. They hypocritically speak of the Deen when in reality they pursue despicable worldly goals.

2. Another miserable group dubbing themselves, Council of Ulama Eastern Cape, is a cardboard group of fake molvies who have to yet learn the rules of Istinja. This group of grossly inept characters with a smattering of knowledge and bereft of Islamic morality wallow in their dreams of aggrandizement. SANHA is using this stupid molvi outfit as a rubber stamp for halaalizing its carrion products.

The Muslim community should beware of these ulama-e-soo' whose speciality is to corrupt Imaan and despoil Islamic morality. All of these miserable characters are signs of Qiyaamah. They pursue worldly and nafsani goals in the name of the Deen.
