U.K. ACKNOWLEDGES VACCINE HARM AND DAMAGE

U.K. GOVERNMENT PAYING R2.5 MILLION PER PERSON FOR VACCINE DAMAGE

Despite having brutally promoted vaccination and having caused horrendous harm and damage to thousands of people with the devil's potion (vaccines), the U.K. government with its 120,000 pound (R2.5 million) "*Vaccine Damage Grant*", has finally implied acknowledgement of the harms of vaccines.

All those who have suffered harm, injury or damage from vaccination may now apply to the government for *Vaccine Damage Payment*. Furthermore, you can also apply for this payment on behalf of a person who has died after becoming disabled because of vaccination.

Legal action may be instituted to claim compensation even if a Vaccine Damage Payment has been received.

You may also receive payment if you have been disabled as a result of your pregnant mother having been vaccinated or you have been in close physical contact with a vaccinated person. The new law is not restricted to the covid vaccine. It applies to a range of vaccines for other diseases as well.

The time may still come when these vaccine Satanists will be tried for genocide and mass murder. These are the Satanists whom moron and modernist Muslims have been following during the corona-covid Satanist 'pandemic'. The mounting evidence proving the harms of vaccination is so glaring that even the Satanist are acknowledging the damage their vaccines have caused.

It was purely on the basis of the assurances of the Satanists and at their behest that Muslims had cast overboard even the Fardh acts of Ibaadat and banned the entire Sunnah Ibaadat system which Allah Ta'ala have ordained for observance in the Musaaqid. All these miserable 'Muslims' who had licked the boots of the Satanists should renew their Imaan, repent and hang their heads in shame and disgrace.
