17 Muharram 1443 – 26 August 2021

## WHERE ARE THE 'FRIENDS OF THE COURT' WHO SAY THAT THE MUSAAJID ARE 'SUPER SPREADERS' OF THE COVID DISEASE?????

### **Pastors against the closure of churches threaten to vote against the ANC**

22 August 2021, 1:20 PM | PhumzileMlangeni | [@SABCNews](#)

Pastors against church closures have threatened to vote against the African National Congress (ANC) in the upcoming local government elections if government fails to allow churches to open at 100% capacity.

[Under Level 3 lockdown regulations, churches are allowed to operate at 50% capacity](#) but some church leaders say this is not viable and has negatively impacted on churches.

Hundreds of church leaders and congregants are protesting at the Union Buildings in Pretoria, calling for an end to the regulation. They also want charges against pastors who flouted regulations to be dropped.

The movement's MoafrikaWaMaila says the ANC does not recognise churches.

"It's a declaration, there is no more for the ANC in the churches. It will be a slogan, from here. If seven days pass, if next week churches are not open at 100%, there is no vote for the ANC in our churches. And there is no more voting stations in our churches. We have 22 000 voting stations of which 4 800 of them are in the churches, they must move out, that's the period if it. As we are speaking, the church declares a line between itself and government from here."

*(End of the message from the Pastors)*

Now what has happened to Reverend Abraham Bham, Kalb Patel, Bogus UUCSA, Murtad MJC, NNB jamiat of Fordsburg, the Murtaddeen Association of Lawyers and Accountants and others of the same *Nifaaqi* ilk who had run to the kuffaar court to plead and lick it to close the Musaaqid of Allah Azza Wa Jal? Where are they now? In blatant denial of the assurance of Rasulullah (Sallallahu alayhi wasallam) that Allah Ta'ala averts disease from the Musaaqid, this gang of Munaafiqeen and Murtaddeen, in support of their clamour to maintain the government's draconian measure of closing the Musaaqid, piped the kufr – brazen kufr – theme that "the Musaaqid are super spreaders of the covid disease".

These Murtaddeen had scurried to the kuffaar court, baring their kufr fangs to argue in favour of Iblees who had urinated in their ears and excreted in their hearts the satanic message: “*The Musaaqid of Allah are super spreaders of the disease*”. Now what is preventing these Enemies of Allah who have metamorphosed into what is dubbed “Friends of the Court” from running to court to block the pastors who are demanding 100% attendance for their churches? Are the Musaaqid of our Rabbul Aalameen the only venues which are ‘super spreaders’ of the disease? The kufr and nifaaq of this Scoundrel Team of Murtaddeen and Munaafiqeen should now be conspicuously clear for every Muslim.

Muslims should not allow themselves to be entrapped in the evil clutches of these shaitaani scoundrels who cherish an intense hatred for the Musaaqid and for Islam. They masquerade as Muslims whilst in reality they are kuffaar of the Munaafiq category.

Although the Pastors are the adherents of *baatil* religions, they are putting up a valid fight for their religious and constitutional rights which the Constitution supposedly protects. On the contrary, we see Molvis masquerading as Muslims and parading as Ulama doing the exact opposite. They lean over their backs to lick the boots of the government. Even those who believe themselves to be sincere, recede into a fortress of Ibleesi silence abandoning the Command of Amr Bil Ma’roof. These are signs of lack of Imaan at the worst. At the minimum, it is extreme Imaani deficiency.

Whereas Muslims, especially the Ulama, should stand up and boldly defend Islam and all its institutions, we find that almost all of them have become spineless jellyfish. In fact they vociferously express ideas and theories in diametric conflict with the Qur’aan and Sunnah while the Pastors of Baatil are standing up courageously for their *butlaan*. Most certainly, we are in that era in which the “*Ulama are the worst of mankind under the canopy of the sky*”, according to Rasulullah (Sallallahu alayhi wasallam). In fact they are now worse than *kilaab* and *khanaazeer*.

The Qur’aan Majeed brands them as “*the greatest zaalimeen*”. They who close the Musaaqid and suspend Jumuah and Fard Jamaat Salaat, regarding them the Qur’aan Majeed declares:

**“Who is a greater ZAALIM than the one who prevents the Remembrance of the Name of Allah from the Musaaqid, and he (furthermore) strives to render the Musaaqid desolate. ....For them (these Munaafiq bootlickers) is disgrace in this world and a great punishment in the Aakhirat.” (Al-Baqarah, Aayat 114)**

Among the kuffaar, these hidden kuffaar (the bootlickers, friends of the court) are the worst. They solicit the aid of the kuffaar courts and the police to close the Musaaqid. They prevent the Fardh Ibaadat by banning Jumuah Salaat and the daily Fardh Jamaat Salaat in the Musaaqid.

These rubbishes justify their shocking kufr by branding the Houses of Allah as being ‘super spreaders’ of the disease hence they deemed it their bounden satanic obligation to plead with the kuffaar authorities to close the Musaaqid. Let us now see what will be the reaction of these Munaafiqeen to the clamour and call of the Pastors.

One very salient common factor among these villains is their embrace of Shiahs. All of them – Bogus UUCSA, MJC, NNB jamiat and the Murtaddeen doctors and accountants are supporters of Shiahs. This speaks volumes for their hidden nifaaq.
