### **NASEEHAT**

Advertising ibaadat is an evil of far reaching consequences. The person should fear that his Tareeweeh may be flung into his face, and be dragged by the hair into Jahannam according to the Hadith. Why is this person's khatam publicized? For who did he make the khatam? Is it riya or ikhlaas? Ikhlaas abhors such cheap advertising. Do not convert the ibaadat of Taraaweeh into a nafsaani stunt.

Is the performance of this Hafiz Sahib Sunnah or in conflict with the Sunnah? From whence did he acquire this gimmick? If the niyyat is Allah's Pleasure, then he should perform his khatam after Taraaweeh in the seclusion of his home without this cheap and despicable publicity.

Fear Allah!
