FOLLOWING THE KUFFAAR INTO THE “LIZARD’S HOLE”

SAID RASULULLAH (Sallallahu alayhi wasallam)

A WOMAN WITH SOME WEIRD CONVOLUTED KUFFAAR-TYPE BRAIN IS SENDING OUT THE FOLLOWING MESSAGE:

Dear sisters. I have a suggestion.

Lets us all wear RED scarves every Jumuah starting this week. #We love Palestine and Syria.

Red is for the blood and life that is lost daily.

Red scarfs every Friday. Send out whats app , Facebook , Instagram and email messages to all our sisters all over the world in companies at schools and show our support In Shaa Allah.

I will start at my company and ask all sisters to show their support. In Shaa Allah.”

RED SCARVES?

(End of the Rubbish message)

The hollow and insincere feeling overtly expressed for the Palestinians and Syrians constrains the stupid woman to look askance for guidance at the very kuffaar who are brutalizing Muslims all over the world, not only Palestine and Syria. The hardships which are befalling Muslims in Palestine, Syria, Burma, Kashmir, Iraq, and elsewhere are UNDOUBTEDLY Allah's *Athaab*. The Ummah of this era, as a whole, consists of scoundrels, traitors, fussaag, fujjaar and even kuffaar masquerading as Muslims. And, the most despicable scoundrels are the ulama-e-soo' who are leading the ignoramuses along the path of Jahannam.

The words of Rasulullah (Sallallahu alayhi wasallam) are part of the eternal Truth of Allah Azza Wa Jal. The Qur'aan Majeed states about the words of Rasulullah (Sallallahu alayhi wasallam): ***"He (Muhammad) does not speak of base desire. But that (what he says) is wahi revealed."***

Look at the filth and evil in which the Palestinians and the others are wallowing and you will understand the root cause of the misery which is afflicting them – a misery which overhangs the South African Muslim community as well – a misery and a punishment which Rasulullah (Sallallahu alayhi wasallam) attributed to our rotten deeds of fisq and fujoor.

The weird haraam form of advertising herself and endeavouring to promote her zina display, this evil woman working in a zina environment shoulder to shoulder with males, are acquisitions from the kuffaar who are adept in the stupid art of exhibition. Every event is symbolized with stupidities. Muslims are creeping after these kuffaar into the *"lizard's hole"* in an attitude of insane, drunken emulation as predicted by Rasulullah (Sallallahu alayhi wasallam).

While the Qur'aan and the Sunnah obligate females to conceal themselves within the precincts of their homes, this lewd woman with her zina attitude promotes female exhibition and that too, in kuffaar style. The style of Islam when calamities descend on Muslims, is to perform Salaat in privacy, without ostentation, and not in the *riya* style of so-called 'qunoot' designed for public

consumption and gaining some cheap publicity. Islam exhorts us to increase Istighfaar, Thikrullah and to make Dua at home in the late hours of the night when Allah Azza Wa Jal's Special *Tajalli* appears on the Fourth Heaven, and this occurs every night.

It is haraam to adopt the lewd scarf-wearing kuffaar style exhibition. Muslim women should not fall into the trap of these devils parading as sympathizers of the suffering Muslims. They are among the worst type of scoundrels out to gain some stupid fame with their stupid kuffaar methodologies.

The Qur'aan Majeed commands women:

“And, remain glued within your homes, and make not a display (of yourselves) such as the exhibition of Jaahiliyyah.”

This stupid, kuffaar-type ‘protest’ with red scarves is a perfect example of “*exhibition of jaahiliyyah*”

For these lewd women, red is the colour of the Fire of Jahannam which awaits them.
