26/07/2017 **Comedian - Marriage Conference - Sa**

It has come to our notice that a certain “muslim” comedian addressed an audience at a recent Sandton based conference, made utterly offensive remarks with regard to some of the Noble Sahabah (radhiallahunna ‘anhum) Sallallahu alahi wasallam.

The Sahabah radiallahu anhum are those August personalities whom the beloved Nabi sallallahu alaihi wasallam had said to this effect “I love my Sahabah.” (Mishkat, pg553) and he has also said” He who causes hurt to me and he who causes hurt to me has caused Allah to be angered Allah Ta’aala - and he who causes hurt to Allah, He will be punished (Mishkaat Pg.554). Yet in Another Hadeeth, Rasulullah sallallahu alaihi wasallam about their status says, “ Honour my Sahabah, for they are the best of the Ummah, their elevated status is such that we cannot compare ourselves to them.”

It is the duty of every Ummati to distance and disassociate themselves from such abusive utterances and condemn them in highly emphatic terms. We would hence like to express our utter disgust at the comedian's place in the name of satire and entertainment! We hereby call on the Muslim community in condemning in the harshest terms the remarks that resulted in besmirching the image of the Noble Sahabah radiallahu anhum . No true Muslim in his right mind
