

TELEVISION IN THE MUSJID – THE HARAAM VILLAINY OF THE MOLVIS

A Concerned Brother from Stanger (Natal) writes:

“Assalamu Alykum – I was visiting some family members in Stanger also known as kwaDukuza. I was performing my Salaah with Jamaat in the Musjid. After the Salaah an announcement was made that a program will be taking place after the sunnats about inheritance and how important it was.

Moulana Abdullah Khan of Jamiat KZN who used to live in Stanger, made the announcement and delivered the talk. Before the talk started, I saw a big **DAJJAL’S EYE TV SCREEN** being set up and A PROJECTOR. I couldn't believe my eyes that this tv gadget of iblees was being set up right inside the Musjid.

Then Mr Khan sitting in a nice cosy chair prepared specially for him told everyone that while a certain brother (perhaps a human shaitan) was setting up this tv screen and projector, he noticed that some people were surprised at what they were seeing (referring to **DAJJAL’S EYE** and projector).

He continued by saying that before people would just listen and remember. Now that's no more the case. Rather people nowadays look and remember. He was justifying his nafsaniyat and shaytaniyat.

Also a rather lamentable sewerage utterance of his was that he's made it in a classroom and that's what they do in Darul Ulooms. Ulama were sitting there so many, but none stopped this Mr Khan and his cohorts from their haraam activity.

Now here comes the big question marks. Let's say for argument their Shaytaniyat and Bidah under the guise of Deen is Okay and permissible, then won't this be opening a door of Fitna!!!!!!!

Why a fitna you may ask? From teaching Deen they can then go further in sin. Like Radio Shaytan from where it was to where it's now. I presume you know of the pitiful state of the Ummah in Burma, Iraq, Syria etc. How can I put it?

Some Molvi trying to encourage people could play on the tv clips from BBC or maybe CNN the plight of the Syrians. Maybe block out the music and later on justify music after a while with some nonsense. Please comment as I am very confused. Is this okay or what?" *(End of letter)*

COMMENT

Rasulullah (Sallallahu alayhi wasallam) said:

“Soon shall there dawn an age when.....the worst of the people under the canopy of the sky will be their ulama. From them will percolate fitnah, and the fitnah will rebound on them.”

We are in that age predicted by Rasulullah (Sallallahu alayhi wasallam). The worst fitnah-mongers and fitnah-breeders today are the molvis and sheikhs who belong to the fraternity of ulama-e-soo'. The Jamiat KZN has joined this shaitaani fraternity consisting of the NNB jamiat of Fordsburg, the MJC and the Bid'ati Qabar Puja jamiats. That is why Mr.Khan has so flagrantly exposed his fisq and fujoor right inside the Musjid. He has no Islamic skin on his face, hence the shameless display of Kabeerah sins right inside the Musjid.

This type of molvi is in fact worse than Dajjaal – the Dajjaal-in-Chief who still has to appear. Many small Dajjaals will appear to prepare the stage for their Chief Dajjaal mentioned in the Hadith. Mr. Khan and the fraternity of vile molvis and sheikhs are all Dajjaal's agents. They are

busy preparing the stage for their Chief, hence Mr. Khan has introduced Dajjal's Eye in the Masjid.

The evil which he has spoken to assuage the hurt feelings of those musallis who have some vestige of Deeni understanding, is the type of satanically adorned talk described in the Qur'aan Majeed as "*Zukhruful Qawl*". The explanation which Mr.Khan presented in a bid to justify to the musallis that Dajjaal's Eye is permissible and beneficial even in the Masjid, has been urinated into his brains by Shaitaan. About the ilk of Mr. Khan and the NNB molvis, MJC sheikhs and other bogus 'scholars' for dollars of Bogus uucsa, the following appears in the Hadith:

Abu Zarr (Radhiyallahu anhu) said: "One day while I was walking hand-in-hand with Nabi (Sallallahu alayhi wasallam), he said: 'I fear more than Dajjaal for my Ummah.'" I said: What can be more fearful on your Ummah than Dajjaal?" Nabi (Sallallahu alayhi wasallam) said: "The aimmah mudhilleen."

The greatest CURSE and PUNISHMENT on this disobedient Ummah of this age are the molvis and sheikhs who are *mudhilleen* – those who mislead. They lead astray the stupid masses with their *zukhruful qawl* satanic inspirations – the type of deceptive talk disgorged by Mr. Khan, Reverend Bham and the balance of this vile mob, to justify haraam television inside the Masjid.

In the latest issue of *The Majlis* appears a detailed article of Hadhrat Maulana Yusuf Binnuri (Rahmatullah alayh) in which he explains the villainy of using haraam methods and haraam media, in particular television, for 'propagating' the Deen. In reality only satanism is propagated via haraam methods. Furthermore, using haraam television for a Deeni program, justifying it and sullyng the sanctity of the Masjid with Dajjaal's Eye are tantamount to kufr. Mr. Khan must do some introspection to examine the state of his Imaan. May Allah Ta'ala save Muslims from the villainy of these evil characters who are worse than Dajjaal.
