FISQ, FUJOOR AND BID'AH - THE INCUMBENT FEATURES OF THE ULAMA-E-SOO'

Regarding a haraam party of fisq and fujoor organized for the Hujjaaj, a Brother laments and complains:

“The past weekend saw Durban hosting world renowned scholars and qaaris. What concerned me was that the program consisted of Deobandi scholars with Bid'atis on same podium. Moulana Olgar, Mufti A.K. Hoosen, Moulana Vanker, Mufti Ilyas, Moulana Farouk Soofie, Qari Idris Parak who is closely linked to Fadlallah Heiri, the Shiah, Qari Idris Rajab who is linked to the Ninowy zaawiyah and the Salaami group, were all in the jolly mix.

On one hand people said it's excellent that all groups are on one platform. However, don't you think this will give people the wrong impression that a cocktail program is the way to go. I request your input and found it strange that senior Ulama were part of it. This program was on radio Ansaar and CII.” *(End of letter)*

OUR COMMENT

No one is more renowned than Shaitaan – Iblees La-een, and these radio stations are his voice. The one platform for the conglomeration of the pile of ulama-e-soo', was not graced by any Ulama-e-Haqq. The very party organized for the hujjaaj who were present to advertise their 'piety' for stupid, haraam acclaim and accolades, was haraam, fisq, fujoor and bidah.

The whole miserable lot of 'world-renowned' *mudhilleen* were dancing in harmony to the chime and tune of Iblees who has secured them all in his tentacles. This type of platform where all and sundry congregate are snares of shaitaan. They all are labouring under shaitaani deception, hence their self-deception.

There is no basis in the Deen for these kinds of parties and functions which are organized for nafsani expression, aggrandizement and other worldly pursuits. All of them are Signs of Qiyaamah. They are using the Deen for worldly and nafsani objectives. Those molvis who profess to be linked to the Ulama of Deoband should reflect and engage in sincere introspection. They should search their souls and remember that tomorrow they will have to stand in Allah's Court to answer for their participation in bid'ah, fisq and fujoor. They will have to answer for honouring bid'atis and fussiaaq. In fact, they themselves have degenerated into fisq for embracing this evil merrymaking party organized in the name of the Deen.

Brother no amount of naseehat will benefit these molvi, mufti and qaari characters who are mis-manipulating the Deen for nafsani agendas. When Allah Ta'ala misguides a man, nothing will bring him to Hidaayat, for he is worse than dumb animals. In terms of the Qur'aan Majeed, he is more astray than the dumb animals.

The greatest calamity which has descended on this Ummah is the cabal of ulama-e-soo'. Having destroyed their own Aakhirat, they actively engage in Shaitaan's plot of destroying the Aakhirat of the masses as well. It is for this reason that Rasulullah (Sallallahu alayhi wasallam) said that the "*aimmah mudhilleen are more feared than even Dajjaal-in-Chief.*"

The moral and spiritual conditions of Muslims will deteriorate incrementally as we move closer to Qiyaamah. The predictions of Rasulullah (Sallallahu alayhi wasallam) have to incumbently materialize. Nabi-e-Kareem (Sallallahu alayhi wasallam) had depicted the ulama-e-soo' as salient Signs of Qiyaamah. We are seeing the practical materialization of this prediction on a daily basis. These vile molvis and sheikhs, qaaris, coons and clowns are becoming more ubiquitous by the day. The community stinks with them. Instead of being guides for Muslims, they are satanic darkness's paving the path of Jahannam. Iblees has spanned them all into his chariot of villainy, fisq, fujoor, bid'ah and even kufr. May Allah Ta'ala have mercy on us.
