

***Hadhrat Haatim Asamm (Rahmatullah alayh) said:***

***“Do not be deceived by the outward appearances of the fuqara, ulama and qaaris of this age. Their Takabbur (pride/arrogance) is worse than that of the wealthy and the rulers.”***

This, the illustrious Wali said many centuries ago. It has greater validity and impact in the present age in which the *shayaateenul ins (human devils)* abound in droves. They globe-trot the world, attracting moron and juhala audiences with their satanically adorned oratory. The ignorant masses are further plunged into deviation, confusion and nafsaaniyat by the active connivance of the ulama-e-soo' who condone and promote just any Tom, Dick, Harry, Hobson, Jobson and Hoblos who possesses the art of *zukhruful qawl (stanically adorned speech)*.

Mr. Hoblos is one of these *mudhilleen fussiaaq* characters who proliferate Muslim society in this era in close proximity to Qiyaamah. His appearance in video clips is more than adequate to confirm his *fisq and fujoor*. It is not permissible to listen to the speeches of these deviate fussiaaq.

Nowadays, the criterion is no longer the Deen with its Shariah and Sunnah. That is why the *mu dhilleen* molvis and corrupt trustees of even so-called Deobandi Musaaajid and Tablighi Jamaat Musaaajid are according the platforms of the Musaaajid for Mr.Hoblos and his kind. The molvis, imaams of the Musaaajid and the so-called sheikhs of the khaanqas are all spineless compromisers and concealers of the Haqq. Instead of guarding the Deen, they promote *baatil* and the exponents and proponents of *baatil*.

If a molvi, sheikh and orator appear on facebook, Youtube, and indulges in photography, television and video, dances and prances to a gallery of men and women, then this will constitute adequate evidence for understanding that he is a *faasiq* and a *mudhil*. Never listen to

his speeches. Your Rooh will be corrupted by his *zukhruful qawl*.

No one and no institution has harmed the Deen and the Imaan of the masses so much as the *ulam-e-soo'* – the *mudhillen* about whom Rasulullah (Sallallahu alayhi wasallam) said:

***“They are more dangerous than Dajjaal.”***
