## TARIQ DAJJAAL AND THE SHIAH FITNAH IN PAKISTAN

In his satanically alluring talk, this Dajjaal said:

***“Go and look at what’s happening in India and Pakistan – What a fire has been kindled.”***

This statement is calculated to convey to the ignorant audience that Muslims have initiated the Muslim–Shiah fitnah and anarchy in Pakistan, there is no similar fitnah in India.

In India, Hindus are killing Muslims whilst in Pakistan, Shiahs are killing Muslims. Hitherto approximately 30 or more Senior Ulama of Islam have been murdered by Shiahs in Pakistan. The killings are the misdeeds of the Shiahs.

This agent of Iblees should proffer his Shaitaani advice to his Shiah compatriots in Pakistan. His dishonest talks are cunningly presented to mislead and deceive by creating the idea of Muslims being the aggressors in the Shiah–Muslim anarchy in Pakistan and elsewhere when the reality is the exact opposite.

The ‘One Ummah’ slogan which the Tariq Dajjaal monotonously pipes, is a satanic ploy to scuttle the Deen with a Shaitaani blend of kufr beliefs.
