### THE MJC KUFFAAR MASQUERADING AS MUSLIMS

*A Brother from Cape Town lamenting the evil state of kufr of the mjc, says:*

"I am from Cape Town. A VERY disturbing public message/broadcast on the Mjc's webpage and FB page. The mjc published on their page how their ex-president ('shaykh' ebrahim gabriels) made doa at the mandela centenary celebrations.

In the doa he CLEARLY makes *tawassul* through a non-Muslim for the family!! That is besides attending the kufr event where wine was served and where free mixing of the sexes was clear for all to see.

Is this type of thing allowed in Islam? Should we still be following the mjc? Should we be taking them as a Islamic judicial body?

With all the shiahs in Cape Town now, I don't even want to live here anymore.

Below is all the proof... I read it on their web page.

I dont know what the world is coming too. Please guide us on this serious matter.

\*DUA AT THE OPENING OF NELSON MANDELA'S CENTENARY CELEBRATIONS

*“God Almighty, because of this Great Man, we humbly ask Thee to bless and Protect his beloved Family.....”*

### OUR COMMENT

The ‘doa’ is replete with kufr. The mjc jaahil sheikh has lost his Imaan. He has uttered so much kufr in his shaitaani ‘dua’ that it is not permissible to reproduce the entire text. Not only this sheikh, but others too associated with the shaitaani mjc have lost their Imaan. They are guilty of *irtidaad*. Salaat is not valid behind an mjc jaahil murtad.

The mjc is not a Deeni organization. At one stage, many decades ago, it had some Deeni utility. But today, it is a body of juhala who propagate fisq, fujoor, bid’ah and kufr. They are among the *hufaalah* (trash) mentioned by Rasulullah (Sallallahu alayhi wasallam).

*“The Saalihoon are departing (into Barzakh) one after the other (in quick succession). Then will remain only the hufaalah such as the trash of barely or dates. Allah will have not the slightest care for them.”*

Regarding the kuffaar and the hidden kuffaar such as the mjc characters who pray to ‘iconic’ non-Muslim political leaders, and who perform mock ‘janaazah salaah’ for professed atheists, the Qur’aan Majeed states:

*“Then the Mighty Screech seized them with the Haqq (in full justification), and We made them*

*rubbish.*”

They are veritably accursed shayaateen. Informing us about characters of the mjc’s ilk, the Qur’aan Majeed says: *“What, should I inform you of those on whom the devils settle? The shaitaan settles on every vile sinner.”*

Truly, a villain who professes to be a Muslim yet resorts to the *tawassul* of a non-Muslim, is mentally incapacitated by divinely cast *rijs*.

Says Allah Azza Wa Jal in the Qur’aan Majeed:

*“Thus does Allah afflict with rijs (filth which deranges the brains and the heart) of those who do not apply their brains (to submit and obey the Deen).”*

They are of the type who will circumambulate their intestines in Jahannam according to the Hadith. They are worse than *khanaazeer*, for Rasulullah (Sallallahu alayhi wasallam) had said about such villains and scoundrels who pillage and plunder the Imaan and Akhlaaq of the masses:

*“An age will dawn when the worst of the people under the canopy of the sky will be their ulama. From them will gush fitnah, and the fitnah will rebound on them.”*

Understand well, that under the “canopy of the sky”, there are also the Yahoood, Nasaara, the Mushrikeen, the Fire-Worshippers, apes and swines. Now reflect on Rasulullah’s statement that they are the “worst under the canopy of the sky.”

The mjc *shayaateenul ins (human devils)* have no affinity with Islam. They have long ago bartered away their Imaan for the miserable carrion crumbs of this dunya. Their only function now is to halaalize *maitah (carrion) and khinzeer (pork)*. They excel in the fabrication of fisq, fujoor, bid’ah and kufr.

People should not be misled by the outer façade of ‘islam’ which these sheikhs with vermiculated brains display. A man is a Muslim when he believes in every tenet of Islam. Rejection of even one confirmed *Mustahab* act is kufr – kufr which expels from the fold of Islam. A man does not remain a Muslim with his kufr regardless of performing Salaat and going for Hajj. Such a villain is an unbeliever of the *zindeeq* class of kuffaar. With the approach of Qiyaamah, the vast majority of professed Muslims will be of this category of kuffaar. Hadhrat Abdullah Bin Amr (Radhiyallahu anhu) narrating a Hadith, said:

*“Soon shall there dawn an age when the people will assemble in their musaajid and perform Salaat whilst not a single one of them will be a Mu’min.”*

The mjc fits snugly into this category. They are vile *zanadaqah*. Do not touch them with a bargepole. May Allah Ta’ala protect the jaahil masses from the vile shaitaani clutches of these zanadaqah masquerading as Muslims.
