CLASSIC FOOD PRODUCTION

THE MJC'S PORK SAGA

In the wake of the MJC's PORK SCANDAL in which these *Shayaateenul Ins* have desperately, but abortively laboured for years to keep the lid on the PORK at their 'halaal' certified Classic plant in Port Elizabeth, the MJC's inspector, Maulana Abduraghmaan Nackerdien has officially resigned from the MJC as 'halaal' inspector.

His reason for resigning: *"The halaal issue has caused him and his family enough stress."*

The resignation of the inspector further confirms the villainy of the MJC's haraam so-called 'halaal' operation.

MUSLIMS SHOULD BEWARE, AND NOT CONSUME MEAT AND CHICKEN PRODUCTS FROM KUFFAAR OUTLETS AND STORES ON THE BASIS OF A RIDICULOUS, STUPID 'HALAAL' STICKER.
