KUFRIZATION OF THE MUSAAJID

BOOTLICKING 'MUSLIMS' CONVERTING MUSAAJID INTO TEMPLES AND HALLS

A Concerned Brother from the U.K. writes:

“An election campaign meeting took place in a Masjid in London, with Islam Channel TV moderating it and broadcasting it.

Table and chairs were placed right in front of the mehraab for four non-Muslim candidates – two men and two women. The latter wore scarves/shawls over their heads in an indication that they were trying to accommodate the beliefs of Muslims at a time when some Muslim women have been attacked by Islamophobes for dressing in accordance with our Shariah. The candidates spoke about themselves and their policies on a wide range of issues, including Islamophobia, to the free-mingling Muslim men and women, who also sat on chairs, in an attempt to gain their votes in Thursday’s general election.

One candidate spoke proudly in the House of Allah about how he started in life “delivering to off-licences”. Another said he supports Muslims having halaal meat but it must be stunned. With those silly comments they probably lost the votes of members of the congregation members, who gave them a tough time during question time. Nevertheless all the candidates were given a round of applause in the House of Allah and when the meeting ended the tables and chairs were moved, the TV cameras were switched off and the Azaan was given for salaah. The hope of the proponents of such gatherings in the Masjid is that they help tackle Islamophobia and give Muslims political

influence. Please comment on these developments.”

(End of the Brother's letter)

While lamentable, nothing is surprising. This Masjid and the munaafiq/zindeeq scoundrels in charge of the Masjid are all signs of the Hour predicted by Rasulullah (Sallallahu alayhi wasallam). What has transpired in Allah's House of Ibaadat is the prelude to cross-worship inside the Masjid. It will soon be the time for 'muslims' to worship the Christian cross. It will not be only chairs and filth in front of the Mihraab and Mimbar. It will be the cross of shirk and kufr. As sure as night follows day, so will cross-worship follow these preludes of fisq, fujoor and kufr. Rasulullah (Sallallahu alayhi wasallam) has already informed us of the disaster of cross-worship in the Musaaqid.

What is happening in Musjids in the U.K. is indeed mind-boggling. The same disaster will overcome Musaaqid in other places as well. But the U.K. has taken the lead in the *kufrization* of the Musaaqid. The so-called 'muslims' of the U.K., at least the scoundrel, munaafiq trustees and the moron imaams, have initiated the process of converting the Musaaqid into temples, publicity venues, political stages, and merrymaking halls of filth – fisq, fujoor and kufr.

In terms of the Hadith, the Masjid in London which has been so vilely desecrated as described in the Brother's letter, is invoking Allah's *la'nat* on all those who are complicit in the desecration. The scoundrels will not escape the Wrath of Allah Ta'ala, neither in this dunya nor in the Aakhirah, and their Aakhirah will soon commence with their

maut

when they will perish like swines.

Allah Azza Wa Jal is well aware of the villainy and satanism which the scoundrels are perpetrating in the Musaaqid. These agents of Iblees have absolutely no understanding of the meaning of Imaan and Islam. They masquerade as Muslims whilst their hearts are saturated with kufr. They cannot escape the Apprehension and Chastisement of Allah Ta'ala. In the Qur'aan Majeed, Allah Ta'ala says:

"Allah is well aware (and apprehends) those who take others besides Him as friends." ﷻ ﷻ ﷻ
(As-Shuraa, Aayat 6)

Not only are these scoundrels deficient in Imaan, in reality they are bereft of Imaan, hence they crawl into the 'lizard's hole' behind the kuffaar seeking aid, honour and safety. But these bounties will be denied to them by Allah Ta'ala. Neither the Labour Party nor any other party nor any other entity is able to grant protection and safety to Muslims. *Aaf*

the boots of non-Muslim politicians blindly in fear of shadows, are bartering away the Deen for the phantoms which they are hallucinating will be delivered to them by the kuffaar politicians. It is nothing but kufr in the heart which constrains them to adopt such contemptible conduct. Allah Ta'ala, interrogatively refuting them says:

“What do you search for the law of Jaahiliyyah?”

This most despicable and self-humiliating bootlicking exhibited by Muslims at the London Masjid is the consequence of such inordinate fear for the kuffaar – fear which Allah Azza Wa Jal has instilled in their hearts because they are *Ghutha* (Rubbish) – such as the scum brought down by floodwaters. In this regard, our Nabi (Sallallahu alayhi wasallam) said:

“..... You will be ghutha (rubbish) such as the ghutha of floodwaters. Most certainly Allah will eliminate from the hearts of your enemy fear for you, and most assuredly Allah will cast ‘wahan’ in your hearts.”

When asked for the meaning of *wahan*, Rasulullah (Sallallahu alayhi wasallam) said: *“Love for the dunya and aversion for Maut.”*

In other words, because of the haraam craving and love for the dunya, Allah Ta'ala inflicts on Muslims the punishment of fear for kuffaar, fear for the shadows of the kuffaar, and He eliminates all fear for Muslims from the hearts of the kuffaar enemy. Thus, what is being demonstrated today in the Musaaqid of the U.K. are the consequences of *Wahan*.

They can continue with their haraam and disgraceful bootlicking and desecration of the Musaaqid, but never will they attain the phantom of safety and security which their damaged brains are hallucinating. *Aafiyat* cannot be granted by the kuffaar. It is a Ni'mat of Allah Ta'ala, and it is available *only* by total submission to the Shariah and adoption of the Sunnah.

Whatever satanic justification and interpretation the U.K. molvis fabricate in vindication of the *kufrization* of the Musaaqid is downright dishonest and most dangerous for the Imaan of Muslims.

Allah Ta'ala has decreed the defeat of the Labour Party whose refuge the unfortunate Muslims were seeking, and Allah Ta'ala has installed the feared Conservatives to rule the country. Only Allah Ta'ala appoints and dismisses rulers and regimes. The Qur'aan majeed categorically confirming this fact says:

"Say (O Muhammad!): 'O Allah, Maalikul Mulk (The King of all lands)! You grant mulk (country to rule) to whomever You will, and You snatch away mulk from whomever You will. You bestow honour to whomever You will and you disgrace whomever You will. In Your Hand is goodness. Verily, You have power over all things.'" (Aal Imraan, Aayat 26)

Instead of turning to Allah Ta'ala with repentance and dua, Muslims have deemed it honourable to bootlick the Labour Party and in this contemptible process of self-inflicted humiliation, they satanically desecrated the Musjid. Allah Ta'ala showed them that such crawling and bootlicking are of no avail.

In the U.K. Allah Ta'ala has installed the anti-Islam Conservatives to rule, and in India Allah Ta'ala has granted *mulk* to the Hindu cow-worshippers and urine-drinkers who are the worst enemies of Islam and Muslims. But Allah's Wisdom demanded the ascendancy of these evil and un-Islamic forces. They are merely little cogs in Allah's machine of *Atha*
ab

for Muslims who have brutally mutilated their Imaan with vice, immorality and even kufr. Oppressors and tyrants are subservient to Allah's command. They act within the bounds permitted by Allah Ta'ala. Allah Ta'ala says:

"If Allah helps you, then no one can defeat you. And, if He abandons you, then who is there besides Him who can help you? On Allah should the Mu'minoon have tawakkul (trust)." (Aal Imraan, Aayat 160)

Embarking on haraam and despicable ways and means for safety and security or for any of our needs is never the methodology ordained for us by Allah Ta'ala. The U.K. Muslims have conducted themselves with egregious contemptibility with their culture of dishonourable acquiescence and integration with its bootlicking effect.

The xenophobic and 'islamophobic' whispers and threats of the kuffaar sent Muslims into a shock and panic mode. But these threats are devoid of reality if Muslims can only understand their Deen and what is expected of them. The answer to the type of threats by characters of the Conservative Party in U.K., and by the cow-worshipper, Modi in India, according to the Qur'aan are inspirations of shaitaan. Thus, Allah Ta'ala says:

"(The Pious Muslims are) those when it is said to them by the people (such as these kuffaar regimes): 'Verily, the people (the Conservatives and the Cow-Worshippers, the Yahood and Nasaara) have united against you, therefore fear them', then they (the Mu'mineen) only increase in Imaan, and they say: 'Sufficient for us is Allah and He is a wonderful Helper.'"

(Aal Imraan, Aayat 173)

Apprizing us of the threats of the devil, the Qur'aan Majeed says:

"Verily, that is Shaitaan who scares his friends. Therefore do not fear him nor fear them (the Conservatives and the Cow-Worshippers). Fear ME (Allah) if indeed you are Mu'mineen." (Aal Imraan, Aayat 175)

Since Muslims have ceased being true Mu'mineen, they have no fear for Allah Ta'ala, hence He has overwhelmed their hearts with fear for the kuffaar. All the bootlicking which so satanically transpired in the Musjid was the consequence of unfounded fear which shaitaan whispered into the hearts of Muslims who lack even the haziest idea of the meaning of *Tawakkul* which Allah Ta'ala has made Waajib for us. The Qur'aan Majeed is replete with exhortations and commands for the cultivation of

Tawakkul
(Trust) on Him.

Regarding the bootlicking U.K. Muslims who desecrated the Musjid, the Qur'aan Majeed states:

"Convey to the munaafiqeen that, verily, for them there is a painful punishment. They are those who take the kaafireen as friends besides the Mu'mineen. What! Do they search for honour from them? Verily, all honour belongs to only Allah." (An-Nisaa', Aayat 139)

“Allah, aids with His help whomever He wills.” (Aal Imraan, Aayat 13)

Those who have true Imaan should not be cast into anxiety, fear and doubt by the kufr shenanigans of the bootlickers who have turned the Musjid into a veritable circus of kufr. The Qur’aan Majeed states:

“O Rasool! Do not be grieved by those who make haste with kufr from those who say with their mouths: ‘We have Imaan.’ whilst their hearts have no Imaan.” (Al-Maaidah, Aayat 41)

Muslims – true Muslims – are grieved by the bootlicking conduct of the munaafiqeen who desecrate the Musaaajid seeking honour from the kuffaar. However, Allah’s exhortation not to grieve is an assurance of protection for the sincere Muslims who proclaim the Haqq and reprimand the contemptible bootlickers.

Muslims are reminded in the Qur’aan of the hidden kufr of bootlickers who are under the Curse of Allah Ta’ala. The Qur’aan says about them:

“You will see numerous of them (of the bootlickers) befriending the kuffaar. Vile is it which they

have sent ahead for themselves.....”

(Al-Maaidah, Aayat 80)

“If indeed they had believed in Allah, the Nabi and whatever has been revealed to them, then they would not have taken them (the kuffaar) as friends.” (Al-Maaidah, Aayat 81)

The Qur’aan Majeed is replete of Aayaat of this kind – Aayaat which severely reprimand and warn bootlickers who are in reality munaafiqeen, hence they crawl obsequiously behind the kuffaar petitioning for security and safety entirely oblivious of Allah Azza Wa Jal.

While the bootlicking by Believers in the One, Most Powerful Allah strains credulity, we have to accept that the erosion of Imaan will be incremental in this era of proximity to Qiyaamah. Rasulullah’s predictions regarding the Signs of Qiyaamah must necessarily materialize. Bootlicking the kuffaar is one such sign which has become a characteristic of Muslims universally.

May Allah Ta’ala have mercy on this fallen Ummah.
