THE CHINA PIG DISEASE

THE PIG VIRUS HAS JARRED AND MARRED THE BRAINS OF THE SHEIKHS AND MOLVIS

Jamiat KZN's baatil, jaahil, kufr guidelines

Allah Ta'ala states in His Qur'aan Majeed:

“In this way have We cast RIJS (FILTH) on those who lack Aql (brains/intelligence).”

The paranoia raging currently in the circles of molvis, sheikhs, darul ulooms, and the like is the effect of the *RIJS (FILTH)* with which Allah Azza Wa Jal has afflicted the brains of these *munaafiqeen*

scholars for dollars who are crawling to bootlick the kuffaar in disgraceful submission to silliness which even the government has not imposed on the community.

The KZN Jamiat has published its silly, stupid guidelines to combat some phantom red herring which the atheists have let loose. In so doing, the KZN Jamiat molvis have exhibited their *nifaaq* and *kufr*.

The entire list of guidelines excreted by the brains afflicted with Divine Rijs is Islamically baseless and haraam. These miserable molvis have displayed that they too are among the *kha naazeer*

who were garlanded with some Deeni knowledge for which they are totally unfit. Regarding the type of scholars for dollars which abound in this era, Rasulullah (Sallallahu alayhi wasallam) warning those who impart Knowledge to others, said:

“He who imparts Ilm to those who are unfit for it, is like one who garlands PIGS with diamonds, pearls and gold.”

In fact, in terms of another Hadith, they are worse than *khanaazeer*. The fear which the kuffaar have instilled into these spineless molvis and sheikhs testifies for the *nifaaq*

in their hearts, and it also is evidence for them being

MAL'OON

(accursed).

All the stupid guidelines, the effects of paranoia, are anathema to Islam. Islam's ta'leem is the opposite of what these shaitaani guidelines require Muslims to do.

It is haraam to prevent musallis from performing Sunnat and Nafil Salaat in the Musjid. It is haraam to chase musallis out from the Musjid. It is haraam to restrict the Musjid for only Fardh Salaat. It is haraam to insist on musallis to keep a distance of 2 metres from the closest person. This measure is too silly. Despite the inherent kufr, it constrains one to mockingly laugh at the extreme silliness of these moron molvis of Jamiat KZN.

As yet, these devils have not ordered the musallis to stand 2 metres apart in the saff for Fardh Salaat. If the Fardh Salaat is performed with shoulders touching, then how ridiculous and stupid is it to order musallis to be 2 metres apart if Sunnat or Nafl is performed in the Musjid? The pig virus gnawing their brains is responsible for these moronic guidelines and for all the other stupidities excreted by the vermiculated brains of these munaafiq molvis.

It is ludicrous to instruct Muslims to carry their own musallas to the Musjid where carpets worth hundreds of thousands of rands have been installed. The paranoia in the decomposing brains of these molvis causes fear for even the shadow of an ant. They lack Imaan. Their brains are pregnant with the rijs of kufr.

It is haraam to limit the musallis to 49. This moronic act of Satanism supersedes even the president's announcement of 100. The Jamiat moron molvis have gone down deep into the gutter in their haraam bid to lick boots, hence they seek to gain the favour of the government by showing with their stupid 40 limit that they are true bootlickers. Indeed, *"Evil is that for which they have traded their Imaan"* (Qur'aan).

Multiple jamaats in the same Musjid are haraam. Only if the government enforces its unjust decree, will it be permissible to have multiple jamaats.

The instruction to incumbently recite short Qiraa't in all the Fardh Salaat is another shaitaani inspiration. It is the displacement and abrogation of the Sunnah of Rasulullah (Sallallahu alayh wasallam). Since this measure is being adopted to bootlick the kuffaar, it is kufr.

The moron molvis of the KZN Jamiat, irrationally cite the Qur'aanic Aayat in which Salaat with Jamaat is commanded even on the battlefield. There is absolutely no relevance between the haraam, kufr guidelines of the jaahil KZN Jamiat molvis and Salaatul Khauf ordered in the Qur'aan. These morons quote without understanding what they are saying.

The suggestion that only close family members should accompany the janaazah portrays the

extreme *jahaalat* and vividly displays the *rijs* in their brains.

The pig virus vermiculating the brains of these moron molvis has constrained them to advise suspension of “big nights” and jalsahs. When the Shariah has proclaimed these activities bid’ah, they scoffed and rejected the Shariah’s ruling. Now the pig virus in their brains has compelled them to advise against these merrymaking bid’ah functions. But there is no thawaab at this stage for suspending these bid’aat because the motive is to bootlick the atheists, not to uphold the Deen.

Muslims should understand that it is haraam to submit to these crazy and haraam dictates of the ulama-e-soo’ of the KZN Jamiat and of any others. As long as the government does not enforce the oppressive and unjust measures, Muslims should continue their Ibaadat activities as normal.

“There is no help except from Allah, The Mighty, The Wise.” (Qur’aan)

“Whatever calamity befalls you, it is on account of what your hands have perpetrated, and (despite your transgression) He forgives much (of your infractions).” (Qur’aan)

“Whatever calamity befalls you, is by the command of Allah.” (Qur’aan)
