THE MUSJIDS OF ALLAH!

TO BE OPENED OR CLOSED?

AS A MUSLIM, WHAT IS YOUR CHOICE?

The Mujlisul Ulama of S.A. is petitioning the government for permission to open the Musaaajid and to allow Muslims to perform Salaat in the Musjids.

Scores of Musaaajid and Jamaat Khaanas have come aboard in support of the Call to open the Musaaajid. In this regard we state unequivocally that we represent the vast majority of Muslims who want the Musaaajid to remain open for Jamaat and Jumuah Salaat. If there are any more Musjids and Jamaat Khaanahs who wish to support the vital and **Waajib Call of the Deen**, the Imaam or trustee/s may forward their consent to

Remember and understand well, that Islam itself is under threat, not by the government, but by the agents of Iblees, the munaafiqeen, zindeeqs and murtads who lurk in the folds of the Ummah like venomous snakes in the grass. A small clique of munaafiqeen comprising of the reverend Abraham Bham, the MJC, and a couple of other zindeeqs are misleading the government with the colossal falsehood and villainous lie of representing the Muslim community of South Africa.

It is imperative for the Government to understand that this murtad Bham and the MJC cartel of juhala and zindeeq sheikhs do NOT represent us, the Ahlus Sunnah Wal Jama'ah. This cartel of mudhilleen is misleading the authorities. They do not represent us, and we shall not accept any fraudulent agreement they ensnare the government into by deceitfully claiming the representation and mandate of the Muslim community. For these munaafiqeen we say as the Qur'aan commands us: ***“Unto you is your religion and for us is our religion.”***

You are NOT Muslims. Do not attempt to impose your shaitani brand if 'islam' on us. Our Islam is the Islam of the Sahaabah and of the Salafus Saaliheen.

It is essential that the government gets the message loud and clear that the humbug entity does not represent us.
