PORT SHEPSTONE JAAMI MUSJID

THE TRUSTEES – MORE SHENANIGAN FACTS

(1) Brother Yacoob Vally from Port Shepstone, in a letter states:

...I had a meeting yesterday with the chairman MI Yusuf Bux and the secretary Haroon Sidat. They do not have one sharee excuse for firing the imam , Mufti Maseehullah. The real reason cited is that Mufti Saheb is soft by nature and soft spoken. They want someone who can enforce law and order. I told them this is a ludicrous reason for firing the imam. Absolutely shocking. We did not reached any amicable solution.

However, in order for unity to prevail I will ask Mufti Saheb to step down.

I will also not stop the community from seeking an AGM. ...
