### PAPSMEAR FILTH & OBSCENITY

#### ***PAKISTANI WALIAH CLOBBERS THE PAPSMEAR DOCTORS AND PAPSMEAR MUFTIS***

Clobbering the papsmear doctor, the Waliah from Pakistan, in an open letter addressed to him says:

Doctor Moinuddin Ally!

I read your letter sent to Mufti A.S. Desai Saheb of The Majlis. As I don't know how to write to you regarding your remarks on the shameful Papsmear Test, I am writing to you through the Majlis.

Doctor! how can you defend this vulgar and degrading test which you and other shameless doctors prescribe to Muslim ladies. Years ago when a lady doctor suggested that I have this test to rule out an imaginary cancer, I was so ashamed on hearing the details that I did not even have the nerve to repeat her words to my husband. Alhamdolillah! Allah Ta'ala saved me from this shameless test.

Leave alone all the fake "protocols" and other scientific proofs, I say with conviction that no Muslim doctor in his/her right mind will suggest such vulgarity to a Muslimah.

I have a small request to make to you, instead of prescribing the Papsmear Test (even the name causes nausea) and relating its obscene details, please give them the Hakeem Prescription which a Waliah asked me to take and by Allah Ta'ala's greatest Fadhl I got complete Shifa. Its the easiest and simplest prescription ever.

### THE PRESCRIPTION

***1. Eat two medium sized ripe bananas first thing in the morning on an empty stomach and take a light breakfast forty minutes after this.***

***2. Eat two medium sized ripe bananas after Asr on an empty stomach and take a light dinner after Maghrib.***

***3. Recite Surah Fatiha (seven or three times) blow on water and drink this morning and night.***

Do recommend this prescription, I assure you that you will, Insha-Allah, get 100% success rates, if ladies are consistent and regular in following it. They should follow it for at least two months.

Doctor Saheb, I know you will brush aside this prescription by saying there is no scientific proof behind it, so I ask you what proof do you have of the imaginary "Cervical Cancer", on the basis of which you humiliate and degrade Muslimahs?      Wassalam

*(End of the Waliah's letter)*

About the Author of this letter: Her Mother is Siddiqah Hadhrat Aishah (Radhiyallahu anha). Her Grandfather is Hadhrat Siddique Abu Bakr (Radhiyallahu anhu), and her Father is Rasulullah (Sallallahu alayhi wasallam). May Allah Ta'ala reward this Waliah abundantly for her *Amr Bil Ma'roof Nahy Anil Munkar*.

Muftis with brains smeared with the filth of papsmear satanism have not only abandoned Amr Bil Ma'roof, they are in reality digging up the foundations of Islam with their zigzag papsmear convoluted 'fatwas' of misguidance. Allah Ta'ala is clobbering them with the Haqq Fatwas of uprighteous Ladies who belong to the Aristocracy of Islam such as this Honourable Lady.

As *Naseehat* for Muslims whose Imaan is still sound, we reproduce hereunder this noble Waliah's recent very moving letter. Despite our awareness of the tantrum she will throw up when seeing her letter published, we deem it appropriate to share with others her very moving letter. We do so in contravention of her prohibition. *The Majlis the Taaifah of Allah Azza Wa Jal*, hence we need no one's permission in the discharge of the obligation of *Amr Bil Ma'roof Nahy Anil Munkar*.  
Sister! Overlook the liberty we have taken. Your *Naseehat* is valuable advice for this Ummah.

### **The Waliah's Letter** (Comments in brackets are ours)

"Respected Mufti Saheb      Assalamoalaikum

Just now as I was reciting Qur'an Paak. I was talking to Allah Ta'ala that when the time of my Maut comes, please send the most beautiful Malaaikah to take me to meet You and give them my Salaam.

Mufti Saheb for years it has been my most fervent yearning and begging dua that I breathe my last in Madinah Munawwarah and get a Noor filled Qabr in Baqi InshaAllah. After every Adhaan

ka jawab (*Response to the Athaan*), I read the dua of Hadhrat Umer ؓ ؓ ؓ ؓ ؓ., and I am only telling you this that I also beg Allah Ta'ala to give me a Qabr near Ammi Ayesha's ؓ ؓ adbi bai its whether know t'don I .Qabr ؓ ؓ ؓ ؓ (disrespect) or not

but I love her very much.

(*No, it is not disrespectful Hadhrat Aishah Siddiqah – Radhiyallahu anha - is your Mother –The Majlis*)

I want to write her Manaqib

(*Virtues – Yes, do so. It may benefit the pro-Shiah scoundrels lurking in our community –The Majlis*)

I will, InshaAllah. I want to sing her praises. I love reading about her life with RasoolAllah ؓ .again over and over life her reading love I .ؓ ؓ ؓ ؓ ؓ

(*And so do we and all true Mu'mineen. Only Shiahs and the modernists with Shiah tendencies masquerading as Muslims hate and slander our Beloved Mother. These scoundrels here in South Africa slink in the community. They are known as the NNB Jamiat, MJC and similar other Munaafiq outfits whose eyes are set on Iranian dollars – The Majlis*)

As for doing dua for you, I take your respected name and do dua. May Allah Ta'ala keep you with hifazat (*protection*) and aafiyat (*safety*). (*Jazaakallaah! We do appreciate your sincere Duas for us. We are at your feet. You are our Mother, and Rasulullah –Sallallahu alayhi wasallam – said that Jannat is under the soles of Mother ---The Majlis*)

Its not that I am against doctors, but doctors like Moinuddin Ally are nauseating. It is a fact that whoever under goes this shameful test, chances are that she will get cervical cancer after it. Same is the case with suspected breast cancer biopsy, normal healthy ladies get seriously sick once they have these biopsies. But doctors and the so called "experts" dont believe it.

May Allah Ta'ala save us from all such scary sicknesses and all sickness and such doctors, and keep all of us in His hifazat, Aameen. Alhamdulillah I read the masnoon dua of saving oneself from all dangerous bemariyan (*sicknesses*) after every Fardh Namaz and have been doing so for years. Duas are my only refuge and shelter. Duas for my khatimah

(*Maut*)

on Iman are requested.

”

(*End of the Waliah's letter*)

Even on earth in this era of corruption in which fisq, fujoor, bid'ah, kufr and *papsmear* obscenity predominate, there are such

*Waliahs*

who resemble

*Qaasiraatut Tarfi Eenun. Ka-annahunna Baidhum Maknoon.*

Whoever is interested, may check these Qur'aanic verses and their Tafseer – Surah As-Saaffaat, Aayats 48 and 49. This

*Waliah*

is one of them. After all, Gold and Diamonds are found in the dust.

Sister continue providing us with Naseehat. Your Naseehat will, Insha-Allah, benefit innumerable true Mu'mineen and Mu'minaat.
