

THE KUFR PROTOCOLS AND THE KUFR BRAINS OF THE PAPSMEAR MORON MUFTIS OF PAKISTAN'S WIFAQUL MADARIS

At the outset, we clarify that the target of the Shariah's critique in this article is not *Wifaaqul Ulama of S.A.*

We are not aware of the local Wifaaqul Ulama's stance pertaining to the host of kufr covid protocols which the Pakistani Wifaaqul Ulama have lapped up from the disgorgement of kufr excreted by the Zanaadaqah and Munaafiqeen doctors of the western medical establishment. Until such time that the local Wifaaqul Ulama has not clarified its stance, the criticism herein is directed at the RUBBISH so-called "grand mufti" and so-called "shaikhul islam", and other members of this miserable outfit of Ulama-e-Soo' of the Pakistani sell-out outfit called "Wifaaqul Madaaris" or Wifaaqul Ulama.

It their presentation of 'guidelines' of kufr, these most vile molvis sinking in their cesspool of kufr inequity have proffered the following haraam/kufr *ta'leemaat* to the Ummah:

"The following guidelines and precautionary measures are suggested for protection from Corona Virus:

- *Use a mask in public places*

- *Wash your hands with soap for at least 20 seconds*

- *Maintain social distance*
- *Imams should shorten the congregational prayers and Jummah sermons*
- *Imams should speak about these guidelines during lectures*
- *Wedding ceremonies should be postponed, if not, then they should be conducted in the simplest of manners following the Sunnah, with no huge gatherings*
- *Avoid using carpets in Masajid*
- *Clean the Masajid regularly with chlorine*
- *People should be urged to perform Wudhu at home and carry a prayer mat*
- *Sunnah and Nawafil prayers should be prayed at home*
- *The Saff must be arranged in such a manner that there is a gap of at least 3 feet between musallees.*
- *Avoid crowding up, rubbing shoulders and touching the face*
- *Positive cases of Covid and those having the symptoms like coughing, sneezing, fever should avoid attending the Masjid.”*

(End of the teachings of the Agents of Iblees)

The cartel of ulama-e-soo' which has fabricated and frauded the aforementioned kufr protocols at the behest of the atheists, consists of the following miscreants:

Shaykhul Hadeeth Dr Abdur Razzak Iskandari

(President Wifaqul Madaris Al-Arabiyya)

Shaykhul Hadeeth Moulana Anwarul Haq

(Vice-president Wifaqul Madaris Al-Arabiyya)

Mufti A'zam Mufti Rafi Uthmani

(Vice-president Wifaqul Madaris Al-Arabiyya)

Shaykhul Islam Mufti Taqi Uthmani

(Vice-principal Darul Uloom Karachi)

Hazrat Moulana Muhammad Hanif Jalandari

(General Secretary Wifaq ul Madaris Al-Arabiyya, rector Jamia Khairul Madaris)

Each and everyone of these satanic 'guidelines' is an act of kufr – such kufr which expels one from the fold of Islam. As for daleel for their kufr, it is clearer than daylight that the stunts and shenanigans of these molvis are all the products of their kuffaar and zanaadaqah superiors whose boots and hinds they are licking for worldly and nafsaani objects.

What these RUBBISH (*GHUTHAA'*) molvis, are propagating is part of a massive, sinister plot to demolish Islam by the western kuffaar. But these molvis are too dense in their brains to understand and see through the satanic plot in the making. Their brains have become satanically convoluted with the mess of the filth of papsmear *najaasat* which they are also condoning. This cartel of ulama-e-soo' comes fully within the glare of the Hadith:

“Soon will there dawn an age when nothing of the Qur'aan will remain except its text; nothing of Islam will remain except its name; the musaajid will be beautiful ornate structures but bereft of guidance; the worst of the people under the canopy of the sky will be their ulama. From these (rotten, rubbish) ulama will emanate fitnah, and the fitnah will rebound on them.”

A Buzrug commented that under the 'canopy of the sky' are also the Yahood, Nasaara, Mushrikeen, dogs and pigs. Thus, these vile ulama whose brains are vermiculated with the *naja asat (filth)* of papsmear, have absolutely no qualms about propagating clear kufr in the Name of Allah Ta'ala. Just imagine the villainy of these villainous molvis! They condone and promote such acts which are glaringly nugatory of the express and emphatic *Ta'leemaat* of Rasulullah (Sallallahu alayhi wasallam).

The *Sunnat-e-Baidhaa'*- the glittering, glorious Sunnah of our Nabi (Sallallahu alayhi wasallam) is in front of us. He practically demonstrated how Muslims should conduct themselves during a plague. The Sunnah is not antique to be shoved on some satanic shelf to accumulate kufr dust. This glittering Sunnah is Islam. It is the Final, the Perfect and the Most Beautiful pattern of life which Allah Ta'ala has made *Fardh* for this Ummah to follow. But these molvis with papsmear brains are murdering the Deen. They are out to demolish Islam by having enrolled themselves as members of the Bill Gates, Pharma & Devil conspiracy. But, never will they accomplish the satanic goal of extinguishing Islam, for Allah Azza Wa Jala Himself has undertaken the obligation of preserving Islam intact until the Day of Qiyaamah. In this regard the Qur'aan Majeed states:

"Verily, We have revealed the Thikr (the Qur'aan/the Deen of Islam), and verily We are its protectors."

“They conspire to extinguish the Noor of Allah with their mouths while Allah will complete (and perfect) His noor (His Deen) even if the kaafiroon (and their molvi helpers) abhor it.”

Let the Ummah know, understand well and remember that:

- 1) It is haraam to don the niqaab (mask) of Iblees.

- 2) It is haraam to accept the method of washing hands taught by the atheists and promoted by the RUBBISH molvis of Wifaqul Madaaris of Pakistan. Our method is the method of washing taught by the Qur'aan and Sunnah. We are not in need of the method of the atheists.

- 3) Social distance is Devil's distance. Observance of the distance of Iblees is haraam and kufr.

- 4) It is haraam and kufr for Imaams to shorten Salaat and the Khutbah in deference to the advice of the atheists and their molvi agents of Iblees.

- 5) Nikahs should not be postponed. Niklahs must continue in the Musaaajid as usual. In opposition and rejection of the kuffaar plot, at this juncture, huge crowds should be present in the Musaaajid to witness a Nikah ceremony.

- 6) Imaams should not propagate these satanic guidelines as is advised by these vile molvis.

7) It is today WAAJIB to use carpets in the Musaaqid. It is haraam and kufr to remove the carpets.

8) It is haraam to 'clean' the Musaaqid with the urine of Iblees, namely, chlorine. Never should the Musaaqid be polluted with the urine of shaitaan. Indeed shaitaan has urinated into the ears of the 'shaikhul islam, mufti a'zam and the other satanic luminaries of this cartel of unfortunate molvis drowning themselves in a pit of *shaqaawat*.

9) It is today Haraam to urge people to make wudhu at home. In normal circumstances, while this advice would be proper, it is KUFR today to proffer such shaitaani advice. It is such kufr which expels one from the fold of Islam. It is of the teachings of the atheists whose boots and hinds these evil molvis are licking with relish.

10) It is haraam today to abstain from performing Sunnat and Nafl Salaat in the Musaaqid. While in normal circumstances it will be permissible, in the current scenario of satanism in which the world is embroiled, it is KUFR. These Salaat should be compulsorily performed in the Musaaqid notwithstanding being Sunnat or Nafl.

11) The three feet gaps in the Saff promoted by the agents of Iblees is kufr. It is haraam to observe it. Rasulullah (Sallallahu alayhi wasallam) said that the shayaateen (devils) fill these gaps. Stand shoulder to shoulder – a standing which the Qur'aan Majeed laudingly says:

“Verily, Allah loves those who fight in His Path in Saffs (ranks/rows) as if they are a solid wall of steel.”

The Saff of Salaat is likewise a *“solid wall of steel”* against the satanic enemies among whom are these most miserable molvis of the Pakistani Wifaqul madaaris.

If the Saff is in accord with the glorious Sunnah – standing firmly shoulder to shoulder – it will also be a

Bunyaan-e-Marsoos (Solid Steel Wall)

glowingly praised by Allah Azza Wa Jal.

12) Rubbing shoulders and touching the face today are Waajib acts. They are acts to display abhorrence for the ideas of the atheists. They are today noble acts which revive the Sunnah which the Ummah has killed. The thawaab for rubbing shoulders and touching the face when terminating Dua is among the Sunnah about which Rasulullah (Sallallahu alayhi wasallam) declared:

“He who holds on firmly to my Sunnah at the time of the corruption of my Ummah will receive the reward of a hundred shuhada (martyrs).”

13) Those sneezing, coughing and showing any of the satanic signs indicated by the league of devils should not absent themselves from the Musjid. There is cure for them in the Musajjid. Rasulullah (Sallallahu alayhi wasallam) said that Allah Ta'ala averts the disease and His punishment from the inmates of the Musajjid. It remains Waajib for them to attend the Musajjid for their Fardh and Jumua Salaat.

With their satanic zigzaggery, fence-sitting and villainy do these ulama-e-soo' masquerading as 'shaikhul islams' and 'mufti a'zams', etc., mismanipulate the Fiqhi texts of the Fuqaha to fabricate kufr fatwas to peddle and promote the evil wares of the Bill Gates, Pharma and Iblees cartel of human shayaateen. Do not be deceived by their self-adopted titles. Never be awed by these deceptive accolades. The 'shaikhul islam' is in reality Shaikhul Fisq wa Fujoor wa Kufr.

The 'mufti a'zam' specializes in 'fatwas' most pleasing to Iblees.

These molvi characters are astray and have lead innumerable ignorant and unwary Muslims astray, firmly placing them on the path leading to Jahannam. All of these misguides and deceits come squarely within the purview of the Qur'aanic Aayat:

"..... Verily, they have gone astray from before, and they have led astray numerous (people), and they have strayed from the (Straight) Path."

(Al-Maaidah, Aayat 77)

This Aayat which addresses the Ahl-e-Kitaab is today more befitting to these ulama-e-soo' who are aiding the atheists in the destruction of Islam. They are in the process of frauding a new religion in the name of Islam. About such thugs and dacoits who destroy Imaan and ruin Akhlaaq, the Qur'aan Majeed states:

"Those who have committed kufr from Bani Israaeel have been cursed by the tongues of Dawood and Isaa Ibn Maryam. That is because they (flagrantly) sinned and transgressed the limits."

They abstained from prohibiting evil which the people would perpetrate. Vile, indeed is it which they used to perpetrate.

You will see numerous from among them (the ulama-e-soo') befriending the kuffaar. Indeed,

vile is that which they have sent ahead for themselves – that which invokes the Wrath of Allah on them, and in Athaab (Punishment) will they be forever.”

(Al-Maaidah, 78, 79, 80)

These *Ghuthaa'* molvis say that “currently the effects of corona are devastating and increasing daily”. That is why they believe that the protocols of the atheists will be able to thwart and foil Allah’s Plan of Athaab. These evil molvis and muftis whose brains are messed up with papsmear filth, imply that the explicit and emphatic declaration of Rasulullah (Sallallahu alayhi wasallam) pertaining to plagues, is, *Nauthubillah!*, false, hence they align themselves with the atheist medical establishment which hallucinates that with its ideas and measures they will be able to combat and nullify Allah’s Scheme.

These evil molvis and muftis do not believe in the truth of Rasulullah’s statement: *“The plague is either Athaab or Shahaadat.”*

For the kuffaar and flagrant fussiaaq the plague is a punishment. For the Mu’mineen the plague is

Rahmat

and

Shahaadat

. Despite this exceptionally clear and authentic Hadith, these miscreant molvis believe that it is necessary to introduce a host of kufr protocols of the atheists to thwart Allah’s decree of the plague being a punishment or a mercy. The kufr of these brainless or papsmear messed up brained molvis should be crystal clear to all Mu’mineen.

THE CHOICE

The Ummah has a choice – of choosing between two mutually repellent ways – the way of the atheists and the Way of Rasulullah (Sallallahu alayhi wasallam) and his Sahaabah. The way of the kuffar is the Devil's way. Every measure and protocol in the *tareeqah* of shaitaan is haraam and kufr. In contrast, there is the Way of Rasulullaah – the glorious, glittering *Uswah-e-Hasanah* – the Example and Sunnah of our Nabi (Sallallahu alayhi wasallam). Every act in this shining and glorious Sunnah is in diametric conflict with the kufr protocols which the Pakistani Wifaqul Madaaris cartel of ulama-e-soo' are promoting at the behest of their kuffaar government and the atheists.

WIFAQUL ULAMA OF S.A.

We urge Wifaqul Ulama of S.A. to state with clarity its stance. Are you in agreement with Wifaqul Madaaris ulama of Pakistan? Do you support the host of kufr guidelines promoted by the Pakistani Wifaaq of Thugs whose thuggery is currently at work to demolish Islam?

We urge you to make clear your stance without the slightest ambiguity. The community requires clear guidance. We trust that you will make bold your stance on this issue. May Allah Ta'ala grant us all the *taufeeq* to stand up and hold our heads high for the Sunnah of our Beloved Rasulullah (Sallallahu alayhi wasallam – that glorious and glittering Sunnah which even the molvis are today killing.
