NNB CARTEL JUMPING ON THE AQSA BANDWAGON

The NNB jamiat of Fordsburg, the so-called Jusa, is initiating an appeal for funds supposedly for the Musjid Aqsa/Palestine conflagration. This is the same NNB clique who together with bogus UUCSA had petitioned the kuffaar court to close the Musaaqid, yet now it is appealing for boodle for Musjid Aqsa. This is the very same Rubbish clique who had prohibited Eid Salaat at the Eidgah in Lenasia. What truck do these human devils have with Musjid Aqsa?

They are the ones who have always been in the forefront to have the Musaaqid closed; to ban Jumua Salaat; to prohibit the Five Daily Salaat in the Musaaqid. It is this miserable entity which has propagated and practised fisq, fujoor, bid'ah and kufr in the name of the Deen.

People of this ilk are first in the line for boodle. In the name of Musjid Aqsa/Palestine, they seek money – money which they will embezzle – money which will not reach the stated objectives in their rubbish poster of appeal. They siphon large amounts in the form of R50,000 monthly 'salaries' from public funds for their so-called services. They are a corrupt lot of parasites whose objectives are only *hubb-e-maal* (love for money) and *hubb-e-jah* (love for name and fame).

This NNB jamiat is the enemy of Allah Ta'ala, the enemy of Rasulullah (Sallallahu alayhi wasallam), the enemy of the Ummah, and the enemy of Islam. It colludes with the Shiahs and kuffaar to dismantle Islam with the kufr satanic protocols of the atheists. Their track record of evil and villainy against the Shariah testifies for their *Nifaaq* (Hypocrisy). Never trust them with your Zakaat and Lillaah.

Money required by these villains for their so-called "*Legal defence for the arbitrarily detained*" is a massive and cruel canard. Legal defence for Palestinians detained by the Israelis is a miserable stunt fabricated to embezzle funds. People should not become ensnared in this sinister trap of deception designed to extravaste money from unsuspecting Muslims who have Palestine at heart.

How can one be so stupid as to swallow the canard of embarking on legal action for Palestinians detained in Israeli dungeons and torture chambers?

The chimera of *Supporting needy families with basics and Assisting victims of Home Demolitions* is a massive Lie – a villainous canard – a deception to suck money from an ignorant and unwary Muslim community.

The collection stunt is a massive **FRAUD**.

It is haraam to contribute funds to these enemies of the Deen. Your Zakaat will NOT be
