ANTI-VACCINATION DEMONSTRATIONS – ANTI-SATANIST DEMONSTRATIONS

While we support anti-vaccination protests and demonstrations, the Shariah does not permit its adherents to participate in the demonstrations in view of a number of Shar'i violations concomitant to these demonstrations.

These [demonstrations are methods of non-Muslims](#) , hence it suits them and will benefit the anti-Satanist campaign.

10 Safar 1443 – 18 September 2021
