DARUSH SHAITAAN

ITS SHAITAANIYAT IS NOW EXCEEDING ALL BOUNDS OF SHAITAANIYAT

The designation “*Darul Ihsan*” for a flagrantly shaitaani body is indeed an extremely deceptive misnomer. The appropriate name for this evil organization is *Daarush Shaitaan (The House of the Devil)*.

This devilish body is incrementally displaying its shaitaani fangs with its evil and haraam activities designed to ensnare females in its lewd tentacles.

In flagrant violation of every rule of Shar’i Hijaab and in blatant disregard for the Qur’aanic and Sunnah proscription on female emergence and exhibition, this vile Darush Shaitaan has advertised its proposed haraam function dubbed “*Activity Day*” at a public school for young females in its own words: *“For teenage girls ages 12 to 20”*.

In Shar’i terms this haraam ‘Activity Day’ for females is a Day of Zina.

Indeed luring out from the homes young girls to participate in haraam activities at a public venue boggles Islamic imagination and credulity. This Day of Zina organized by Darush Shaitaan demonstrates that the eyes, ears and hearts of the organizers are sealed. There appears to be no scope in their hearts for hidaayat or for heeding naseehat.

Islam forbids its females from attending even the Musaaajid for Salaat which is a solemn act executed in a sacred abode, the Musjid. Rasulullah (sallallahu alayhi wasallam) warned that when a woman emerges from her home, shaitaan lies in ambush for her. A woman who applies perfume and emerges from the home has been described as a prostitute by Rasulullah (sallallahu alayhi wasallam). There will be no shortage of flamboyance, colour and Satanism at the satanic party organized by the agents of shaitaan.

SHAITAANIYAT NOW EXCEEDING ALL BOUNDS

According to the Hadith, after her home, woman's best place of *hijaab* is her grave. The Qur'aan commands women to remain glued inside their homes. The dead body of a woman has to be draped with six shrouds and when it is lowered into the *Qabr*, it has to be compulsorily shielded and hidden from the gazes of people with a large sheet held over her body like a canopy. Every *ta'leem* of the Deen for woman carries the message of *Ikhfa (concealment)*.

But in diametric contradiction, Darush Shaitaan lewdly promotes female emergence and exhibition. The Shayaateen of Darush Shaitaan have as highlights of their satanic outing for girls 'stupid 'juice making, mendhi demo, fitness demo' and similar other displays which in the circumstances are acts of obscenity for Muslim girls. The convoluted brains of these shayaateen morons fail to understand that the *La'nat and Ghab* of Allah Ta'ala settle on them and the girls who will be leaving their homes to participate in the haraam shaitaani 'activity day'.

This evil 'activity day' is nugatory of every demand of *haya* and *hijaab*. But they shamelessly and falsely state:

“All
activities will be carried out within the Hijab rules.”

These jaahil molvies of Darush Shaitaan have absolutely no understanding of the meaning of *Hijaab*, hence they have made this moronic statement about 'hijaab rules'. If they possessed even a hazy idea of the meaning of *hijaab*, they would not have conducted themselves so shamelessly as to lure girls out of their homes. Whereas Rasulullah (sallallahu alayhi wasallam) described the remotest and darkest corner of the home as the best place for a woman to perform *Salaat*, the Devils of Darush Shaitaan invite young girls into the streets to attend their *mal'oon*

shaitaani 'day of activity'. They will not escape the

Athaab

of Allah Ta'ala for this treasonous act of satanism which they are passing off as an 'Islamic' function.

The 'day of shaitaani activity' is a perfect example of *Talbees-e-Iblees (Deception of Shaitaan)*. Iblees has cast his spell on the brains of the evil molvis of Darush Shaitaan. He has adorned for them their villainy with deceptive arguments, presenting *zina* and *shaitaaniyat* under Islamic guise. The vile molvis of Darush Shaitaan have become experts in deception, misguidance and *shaitaaniyat*. They are adept in organizing functions which promote female exhibitionism and lewdness. Their obsession with female functions and enticing females into the public betrays the perverted state of their brains.

It is indeed a sad indictment that those who are supposed to be Ulama have become agents of Iblees. Their brains have become scorbutic with an insanity inflicted on them by the touch of shaitaan, hence they perceive the stepping stones of zina as being 'Islamic'. The so-called 'islamic' function of Darush Shaitaan is a deceptive substitute for true shaitaaniyat (satanism).

Any Muslim who applies his mind cognitively will not fail to discern the shaitaaniyat of this haraam 'day of activity'. The satanic objective of this haraam event is the destruction of the *haya* of the girls. Dangling the chimera of 'Islam' in front of the stupid females is most treacherous and spells disaster for their *akhlaaq*.

The Darush Shaitaan mob has become satanically qualified in spinning hallucinated 'benefits' to suit their own *baatil* narratives. They conjecture and fabricate 'benefits' for their haraam activities which they pass off as 'Islamic Services' when in reality they are promoting Shaitaani Services. Every outdoor activity for females, especially such as these western-emulated functions, is haraam and a dimension of zina.

They sink into the dregs of stupidity with silly 'juice-making techniques' and 'mendhi demos'. They should hang their heads in shame for their disgusting conduct which is the epitome of absurdity spawned by the bestiality of their lustful nafs. The mothers of these girls are adequate for imparting the lessons of juice-making and mendhi application – acts which have to be incumbently learnt within the privacy of the home confines.

The Qur'aan and Ahaadith are explicit and emphatic that *fitnah* is the consequence of female emergence, female exhibition and female expression. Manipulating the *naaqisaatul aql* species for lustful objectives is most lamentable and disgusting. Advertising the satanism with the deception of 'islamic' hues multiplies the disgust manifold. These Darush Shaitaan molvis are scraping the bottom of the barrel of immorality by beguiling silly females and luring them out of their homes in diametric conflict with everything the Qur'aan and Sunnah command with regard to female concealment within the confines of the home. The mock 'hijaab' which Darush Shaitaan advertises is deception and shaitaaniyat to pull wool over the eyes of an unwary and unsuspecting Muslim public. They have indeed surpassed the Ulama-e-Soo' of Bani Israaeel in the arts of evil and villainy. May Allah Ta'ala save the Ummah from the villainy and evil of the Ulama-e-Soo' who suck and exsiccate the life-blood of the Imaan of the ignorant masses with their stratagems of shaitaaniyat.
