

The HARAAM BCCSA 'CHICKEN-FATWA' HEARING

MUFTI A.K. HOOSEN'S FATWA DECLARING RAINBOW, ETC. CHICKENS AS 'HARAAM MAITAH' HAS PULVERIZED SANHA'S CARRION MOB

The *Sunday Times* (6 April 2014), in a report captioned: *CHICKEN FATWA HEARING RESCHEDULED*, mentions SANHA's grouse and grievance as follows:

*"Sanha's mufti Mohammed Yusuf Seedat..... said: 'Our issue is simply that we be given an immediate right of response. We were basically asking for that right to be granted and that the station's management **not sanction or allow their presenters to make such defamatory comments without any action being taken against them.**"* (Emphasis ours)

SANHA has approached the non-Muslim BCCSA (Broadcasting Complaints Commission of S.A.) with the plot to stifle Mufti A.K.Hoosen – to prevent him from proclaiming the Haqq. Proclaiming the carrion chickens **HARAAM** has been too much and too drastic a blow for the Carrion Cabal of SANHA.

Mufti A.K.Hoosen's Fatwa of Haqq has haemorrhaged the brains and the hearts of SANHA's haraam carrion halaalizing committee consisting of the *Kalb* Yusuf Patel (Mufti A.K.Hoosen's student), Navlakhi, the Spin Doctor and the imbecile, Lockhat. The two former ones of this unholy trinity are classical SCHOLARS FOR DOLLAR specimens. They are Scholars for Dollars because they have commercialized aspects of the Deen.

Their haraam commercialization by way of mutilating the Shariah's sacred system of *Thabah*, by selling lucratively the term, Halaal, and by halaalizing carrion, is the source of the haraam income of millions of rands. They are mismanipulating the Deen for haraam boodle, and they are pressurizing Muslim traders to extravasate haraam fees for haraam scraps of paper which they call 'halaal' certificates with which they even halaalize the meat and chicken products of non-Muslims. Thus, the title, "SCHOLARS FOR DOLLARS", is most befitting for them. This title, far from being 'defamatory', is an epithet of the Haqq, the application of which had devolved as an incumbent duty on Mufti A.K.Hoosen who had become convinced of the haraam status of Rainbow, Earlybird and the plethora of other brands of commercially killed chickens.

Now, in sheer desperation, having lost their mental equilibrium and Imaani bearings, the SANHA clique has enlisted the aid of the kuffaar BCCSA 'court' in the nefarious bid to suppress and conceal the Haqq –the truth of the chickens being **HARAAM**. In the pursuit of their malicious desire for vengeance, they have thrown overboard the command of the Qur'aan which forbids seeking resolution in kuffaar courts.

Contrary to what Seedat of SANHA says, in terms of the Shariah they have absolutely no right to demand a response on a medium which is not their property. They have their own radio shaitaan. They have all the right to respond with their *baatil* via their radio shaitaan medium. They profess to be 'ulama', yet they are totally ignorant of the *mas'alah* --

stupidly unaware that it is haraam to enlist a kuffaar court to impose a kufr 'right' on others thereby usurping the property of others, in this case being the radio belonging to another entity. Halaalizing carrion has obliterated every vestige of Imaani conscience in these miserable *juhala Scholars for Dollars*.

It is essential to understand that SANHA's rush to seek kuffaar aid from the kuffaar court is not really to enforce a 'right of response'. The Channel Radio has offered SANHA many opportunities to respond, but which were refused. The mad desire is to punish Mufti A.K.Hoosen. The insane craving is to humiliate him in the kuffaar court for the simple reason that he has proclaimed the Haqq – he has branded all the carrion chickens halaalized by SANHA and others to be **HARAAM**. This is the fundamental issue, nothing else. It is this commercialization of a Deeni issue which renders SANHA's lot of molvies Scholars for Dollars.

SANHA, having rejected the proposed arbitration of its own 'Grand Mufti of S.A.', Hadhrat Maulana Radhaul Haq Sahib, is insanely hugging the kuffaar court to seek revenge and to compel the Channel Radio to silence Mufti A.K.Hoosen. The effect of Mufti A.K.Hoosen's proclamation of the Haqq on the chicken issue is vividly portrayed in the following Qur'aanic

aaayat:

“But (in fact) We strike baatil with the Haqq. Then it (the Haqq) smashes out its (baatil’s) brains. Then suddently it (baatil) vanishes.”

According to SANHA’s Seedat, the Haqq has now become ‘defamatory’, and usurpation of property has become a ‘right’ because according to the kuffaar BCCSA code of conduct it is a ‘right’. Carrion halaalizing has totally blighted, in fact, destroyed the intellectual faculty of SANHA’s molvis all of whom are imbecile dumb devils who rubber stamp all the haraam demands of Navlakhi.
