THE BOYCOTTS AND THE MJC AND NNB JAMIAT MUNAFIQEEN

BOGUS uucsa, the paper front entity of the MJC-NNB Jamiat cartel, asks Muslims to boycott Woolworths whilst these hypocrites are clandestinely supporting Woolworths to the hilt.

SANHA, Radio Shaitaan and the NNB Jamiat are the same notorious clique of deceits who is bent on undermining the Deen and misleading the Muslim masses with their baatil, fisq, fujoor and bid'ah. These munaafiqeen have issued the call to boycott in the name of the stupid puppet, namely, BOGUS uucsa – the uucsa which has hijacked the name of GENUINE UUCSA – the registered owner of the name.

These hypocrites are calling for a boycott of Woolworths, but they shamelessly certify as 'halaal' Woolworths products. This is the reason why these miserable munaafiq entities issued the call in the name of BOGUS uucsa. If they had even a vestige of truth and honour, they would as a priority demand have cancelled their 'halaal' certification of Woolworth products, and thereafter called for the boycott. But these vile specimens of ulama-e-soo' relish and feast on haraam boodle. Their inordinate lust for haraam money has deranged their mental equilibrium, hence they failed to understand that the entire Muslim public is not stupid. Everyone is not a moron like these carrion halaalizers. They failed to understand that the public is bound to recognize the hypocrisy which this evil cabal is perpetrating.

By what stretch of reasoning and in terms of which theory of honour do they call for a boycott of Woolworths when they continue certifying Woolworth and Israeli products?

Expressing valid and justified indignation for the hypocrisy of these munaafiqeen, an irate Brother Feizal Gaffoor from the Gauteng writes:

"JUSA" WHY NO WORDS AND MARCHES AGAINST THE MUNAFIQ SAUDI GOVERNMENT!!! DO WE RISK LOSING FREE UMRA HAND HAJ TICKETS??? WHY NO WORDS AGAINST SANHA —SOUTH AFRICAN NIMAK HARAAM ASSOC. FOR CERTIFYING ISRAELI PRODUCTS? FOR CERTIFYING COMPANIES OWNED BY SENIOR MEMBERS OF JEWISH BOARD OF DEPUTIES, WHY, WHY HYPOCRITES! HYPOCRITES>

"We at the UMSA are utterly disappointed at the double standards of the 'halaal authorities' (which are affiliates of the NNB Jamiat and the MJC). If you walk into a Woolworths store, almost every item has a 'halaal' stamp on it. Why then call for a boycott of Woolworths, Pick n' pay, etc. when you are certifying their products?"

Lead by example. The Fordsburg Jamiat (i.e. NNB Jamiat) and MJC have already displayed hypocritical qualities and double standards by allowing their 'halaal' bodies to continue certifying these products.

If you are really sincere in your call for boycotting these outlets then certainly lead by example and stop certifying their products."
