

THE KUFR AND SHIRK OF GULEN'S TEMPLE 'MOSQUE' AND HIS TURKISH SCHOOLS

A very concerned Brother provides the following shocking information regarding Gulen's Temple in Midrand, and his Turkish schools:

I wanted to bring to your attention something very serious and important. The Turkish 'Mosque' in Midrand has been pulling crowds of people for their 'entertaining' programs from its inception. It is supported by the many Turkish schools in the country too.

However, this is a serious issue as these Turkish schools and those running the Turkish 'Mosque' do not believe in the finality of the Nubuwwah of Rasulullah sallalaahu alayhi wa sallam.

They believe in a saint by the name of Sulayman Hilmi who was from Hungary. Students at the Turkish schools are taught that he is their prophet and saviour and they are all given a picture of this saint and are told to ask him for their needs and du'a should be made to him.

The students in the school are told to keep this information confidential and to leak it out. If this information is leaked out by any student, then the student will be expelled.

This issue is very serious and must be treated as such. These Turkish schools and this Turkish 'Mosque' is nothing but centres for spreading kufr. Please review this and publish your findings and reponse (without my name). All the information provided here is correct and these Turkish agents cannot deny it. Jazakallah u Khayran

Since the inception of the scourge of Turkish schools in South Africa, we have been warning the Muslim community of the danger of these schools of Gulen, the interfaith kaafir Turk masquerading as a Muslim, and who has been granted asylum by the U.S.A. where he has amassed a huge fortune. From the U.S.A. with the support and connivance of the C.I.A., Gulen has established schools in the guise of 'madrasahs' all over the world with the sinister motive of undermining and destroying Islam.

Muslims are extremely stupid and gullible. Even if faeces is adorned in a beautiful wrapper and affixed with SANHA's 'halaal' logo, they will consume it. Merely because the temple in Johannesburg has been given the form and appearance of a Masjid, and merely because Gulen's schools are advertised as 'madrasahs' the stupid Muslim masses have taken the bait and are destroying themselves and the Imaan of their children in the process of patronising the haraam, fisq, fujoor and kufr of these Gulenist enemies of Islam.

For the sake of haraam boodle and satanically cheap publicity, the deviate Menk of Zimbabwe is actively aiding and abetting the kufr of the Gulenist movement, hence he treacherously bartered away the Deen by performing his mock taraaweeh at Gulen's temple.

WE CALL ON THE MUSLIM COMMUNITY TO WAKE UP BEFORE IT IS TOO LATE – BEFORE THEIR CHILDREN WILL BE SACRIFICED AT THE ALTAR OF KUFR. THE GULENIST MOVEMENT IS OUT TO DESTROY ISLAM. IT IS PART OF THE WESTERN PLOT AGAINST ISLAM.
