THE DEVIL EXTENDING HIS TENTACLES

Lamenting the cancerous spread of the tentacles of Iblees, a Brother writes:

As Salaamu Alaikum

Please see below - Radio "Islam" has now opened in Durban. Here in Durban Al Ansaar radio has even started to play music. It is not long before Radio "Islam" will do the same. There was a whole entourage of Radio "Islam" people here in Durban on Friday at Masjidus Saaliheen in Sherwood (Imaam is Moulana Ahmed Chohan). I always had deep respect for Moulana Ahmed Chohan of Durban as he is a Senior Aalim. Now he is part of this Radio "Islam" gang as well. The Station is being headed by Moulana Junaid Kharsany of Durban.

With the Ulama of Darul Ihsan (*Darush Shaitaan – The Majlis*) on the side of SANHA, with the Jamiat KZN sunk into the gutters as explained in some of your previous articles, which Ulema do we the people of Durban turn to? Please inform people to stay away from these Radio Stations? Jazakallah

May Allah always keep you with Aafiyat. Was Salaam

Radio Islam (*Radio Iblees*) is embarking on an extensive tour of KwaZulu-Natal to interact with loyal listeners in the province. **(All the listeners are loyal mureeds of Dajjaal's agents).**

Scheduled for this weekend, MI. Sulaimaan Ravat, MI. Junaid Kharsany, Mufti Yusuf Moosagie, MI. Habib Bobat, MI Naeem Docrat, Hafez Yusuf Ravat, Hafez Shaakir Bhayat, Umm Abdillah and Apa Zaakira Ansarmia will be hosting various programmes from the coastal cities of Durban and Sherwood. **(The whole gamut of miserable souls consists of the illegitimate progeny of Shaitaan-in-Chief).**

To kick off the tour, the Jumuah bayaan and Khutbah at Masjid Saaliheen in Sherwood will be rendered by Mufti Yusuf Moosagie complimented by mesmerising qirat recitation after Maghrib. **(This unfortunate agent of Iblees stands in line to be kicked into Jahannam. The "kick off" their satanic tours just as fussiaq, fujjaar, kuffaar, zaanis and zaaniyahs "kick off" their haraam activities of sport and amusement).**

Women can look forward to an inspirational ladies only workshop hosted by Umm Abdillah with a panel of fantastic speakers including Moulana Sulaimaan Ravat offering insight on intellectual, spiritual and psychological impediments to becoming a "Fabulous Muslimah".

(The ‘women’s only stupid, silly ‘workshop’ is also a zina event. The clumsy, jaahil molvi who will be one of shaitaan’s ‘fantastic speakers’ has been cursed by his Ustaadhs. Not so long ago, his uncle floored this miserable Iblees with an uppercut after pulling him from behind dirt bins where he was lying low in concealment after having perpetrated some evil shenanigans. Undoubtedly, a woman can become a fabulous shaitaanah – female devil – by participating in the evil, zina activities of Radio Iblees).

Not to be out done, Hafiz Shaakir Bhayat will be engaging with the youth who will have a chance to pitch their football skills in a freestyle competition with great prizes up for grabs for the winners. ***(Shaitaan has thoroughly brainwashed these evil characters with their kuffaar sport and haraam merrymaking. These miserable deviates and agents of Iblees are the worst ghutha under the canopy of the sky according to the Hadith. They are the breeders of fitnah – fitnah which will disgrace them here and destroy them in the Aakhirat. They maraud and suck the blood of the Ummah. They pillage and plunder the Imaan and Akhlaaq of youngsters, young girls and the juhala at large. Every capillary in their bodies reek of fisq and fujoor, and their profession is pure fitnah.)***

There will be a special appearance by Zainudeen “crazy legs” Patel. ***(The craziness which Allah Azza Wa Jal has cast in this chap’s brains has become manifest on his legs and on his entire body. Brains, body and soul have become deranged as a consequence of the kufr of halaalizing fisq and fujoor. Shaitaan has urinated in his brains, hence his craziness).***

For the kiddies and even mummies and daddies, join the nazam hour team with Hafez Yusuf Ravat on the Nazam Hour, for a fun-filled show singing along to your favourite nasheeds and nazams. ***(The Voice of Iblees echoes from the throats of these evil qawwaals. They are***

promoting pure shaitaaniyat under Deeni cover. But sensible people do not fail to discern the shaitaaniyat of these qawwaals who are the instigators of zina).

Join Radio Islam this Friday, the 4th of March - till late on Saturday for a jam-packed educational weekend. ***(Yes, jam-packed with fisq, fujoor and immorality – all perfect introductory steps for the commission of actual zina. This Radio Iblees is also Radio Zina. And that is what these moron, lustful molvis perpetrate in their radio studio rooms. But Allah Ta’ala will still humiliate them. They are playing with Jahannam’s Fire by selling their zina wares under Deeni garb).***

WHAT ALLAH AND HIS RASOOL SAY:

Allah Ta’ala states repeatedly in the Qur’aan Majeed:

“The life of this world is but play and amusement. Whilst the abode of the Aakhirah is best for those who Fear (Allah). What! Have you no Aql (brains/intelligence).”

“..Therefore laugh little and cry much”

Rasulullah (Sallallahu alayhi wasallam) said:

“If you knew what I know (of Maut, the Qabr and Aakhirat), you would laugh little and cry much. You would not derive any pleasure from your wives, and you would have fled into the wilderness wishing that you were a blade of grass.....”

If a Muslim lacks sufficient knowledge or natural intelligence to understand the Shar’i basis for the prohibition of the merrymaking and evil activities in which the shaitaani personnel of Radio Shaitaan indulges, at least from just a cursory glance of the Qur’aanic aayaat and the emphasis of the Sunnah, the spirit of the Deen which is the theme of the Qur’aan, can be readily understood even by morons.

The emphasis of the Qur’aan and Sunnah – of the Deen – is on the Aakhirat, and for its attainment all activities nugatory of this goal are haraam and to be shunned. Rasulullah (Sallallahu alayhi wasallam) said: *“Verily, this dunya has been created for you while you have been created for the Aakhirah.”* Merrymaking activities, sport and amusement, singing and mingling and all types of haraam activities of these filthy, zina radio stations are all inimical to the spirit of the Deen, and violently in conflict with the Shariah.

Rasulullah (Sallallahu alayhi wasallam) said: *“What relationship do I have with the world? My similitude is like a horse rider (on a journey through the desert). He (temporarily) rests in the shade of a tree (in the fiercely scorching desert). Then he leaves (the shade) and issues forth (to complete his journey).”*

We are in this dunya for a very short sojourn. It will be soon time to depart. Malakul Maut will soon sound his Call from which there is no escape, and not a second's delay. Then he will violently strike the faces and the backs of the merrymakers who had forgotten the Aakhirat with all their haraam functions of merrymaking. He will violently rip their souls with a force of excruciating pain. The agonies of Maut are unimaginable, yet people who profess to be Muslims and human Apes claiming to be scholars, are totally oblivious of the impending disasters ahead of us. These *mudhilleen* molvis are scoundrels of the worst order, for they dupe stupid people of the nafs to forget Allah Ta'ala and forget the Aakhirah with their haraam merrymaking concerts organized in the name of Deen. Shaitaan has indeed adorned for them their filth and immorality.

Rasulullah (Sallallahu alayhi wasallam), proffering naseehat to Hadhrat Aishah (Radhiyallahu anha) said: *"O Aishah! If you intend to link up with me (in Qiyaamah), then take from this world only such provisions which are sufficient for a horse-rider (on a journey). And, beware of the company of the wealthy. And do not regard a garment to be old as long as you can patch (and wear) it."*

Rasulullah's emphasis and exhortation on cultivating aversion for the dunya and love for the Aakhirat permeate the entire Body of the Deen. Yet, these filthy, immoral molvis are faithfully serving Shaitaan by luring people, especially dumb and stupid women into their net of villainy, merrymaking and nafsaniyat with their evil, haraam functions, festivals and concerts.

There is no need for high intelligence and no need for Knowledge to understand the villainy and evil of the show and concert which Radio Iblees has organized for extending its *najis zina* tentacles in Natal. The Ulama in Natal – Jamiat KZN and Darush Shaitaan and those of the Madaaris – have all lost the Path. Even those who understand and believe that Radio Iblees is indeed the Devil's appendage and trap, have become

“Dumb Devils”

with their silence. While they see the Deen being pillaged and plundered, while they see the stupid masses being misled by the NNB Jamiat’s evil molvis, they (the molvis of Natal) have chosen to remain idle spectators thereby abandoning the obligation of *Amr Bil Ma’roof Nahy Anil Munkar*.

The miscreant so-called Darul Ihsan has become thoroughly transformed into Darush Shaitaan. It is the devil’s Abode. Its haraam activities bear loud testimony for its villainous objectives, all offered to a stupid public in Allah’s Name. It is indeed a crying shame and a disgrace. These molvis need to be cast into vats of boiling oil.

The Jamiat KZN has joined the shaitaani cavalcade of baatil. Soon will it become indistinguishable from the filthy NNB Jamiat. It too is using the Deen for worldly pursuits and goals, desirous of promoting for itself an image of philanthropy, hence the molvis of the Zulu Jamiat are at home with an assortment of baatil characters of all hues, forms and shapes of baail – with modernists, zindeeqs, Barelwi Qabar Pujaaris, fussiaaq and fujjaar Cape Town sheikhs and the Devil’s gang of agents of the NNB Jamiat of Fordsburg. The ordinary folk can no longer look up to the Zulu Jamiat for guidance. It is a scenario of *dhalaal* piled on *dhalaal* – *zulmat* on *zulmat*.

The concert organized by the NNB Jamiat’s *mudhilleen* is worse than the *lahw-la’b* (*play and amusement*) prohibited by the Qur’aan and Hadith. Every function which has women on its agenda and which lures women out of their homes is a Zina Function. The nazams and the other shaitaani paraphernalia are all satanically designed for the gratification of the bestial instincts of the

participants and especially of the clowns who organize such filthy immoral concerts.

It is HARAAM to sing even religious nazams to an audience, even without the accompaniment of music. But, soon, in due course, will music be accompanying these devilish nazams. Shaitaan is a great Ustaadh and an adroit manipulator and expert in the art of entrapment.

It is HARAAM for women to listen to these filthy males singing their nazams with the professed intention of fostering eroticism. It is HARAAM for men to listen to nazams sung by even five year old girls. It is HARAAM for men to listen to the Qiraa't of even young girls. All these nazams are nothing but shaitaani propaganda in the run-up to zina. Zina has a variety of grades and steps, and all of this is being perpetrated by the coons, clowns and louts of the NNB Jamiat with its Devil's appendage – Radio Shaitaan.

Every act and every step in this haraam concert of Radio Iblees are the tentacles of Shaitaan. His tentacles are extremely long, poisonous and their touch is fatal for Imaan and Akhlaaq.

Warning the People of Imaan against participating in these functions and concerts of Iblees, Allah Ta'ala states in the Qur'aan Majeed:

DEVIL EXTENDING HIS TENTACLES

Saturday, 12 March 2016 10:23 -

“And, when you see those who dive (dig, twist and distort) Our Aayaat (Ahkaam of the Shariah), then turn away from them (Do not participate with them in their haraam) until they engage in some other subject. Should Shaitaan make you forget (Allah’s Law), then after remembering (and understanding), do not sit with people who are Zaalimeen (such as the mudhilleen of the NNB Jamiat.....

And, leave those (evil clowns and shayaateen) who make their Deen a mockery and as a sport (such as the haraam concert of Radio Iblees). (They are such devils) whom the life of this world has cast into deception. (O Muhammad!

Proffer naseehat with this Qur’aan (to save people) from being apprehended by their perpetrations..... them will be boiling water to drink and a painful chastisement because they used to indulge in kufr.”

May Allah Ta’ala guide this lost and fallen Ummah. May Allah Ta’ala save the ignorant masses from the satanic tentacles of the evil molvis and sheikhs who are manipulating women for their own despicable bestial gratification.
