QUDS DAY – A SHIAH EVENT

BOGUS ‘UUCSA’, EVIL MOLVIS AND EVIL SHEIKHS SUPPORTERS OF SHIAHS

Among the cunning and clandestine supporters of Shiah lurking within the Ahlus Sunnah community are the evil molvis of bogus ‘uucsa’, MJC sheikhs and NNB Jamiat molvis. Bogus ‘uucsa’s’ molvi Patel of Middleburg was quick to issue a call for observing a Shaitaani, Shiah Bid’ah ‘Quds’ day to commemorate nonsense. The quick ‘retraction’ by this bogus entity was constrained by public indignation. Muslims who were aware of the Shiah connotations underlying the stupid Quds day haraam celebrations and commemoration reacted indignantly to the bogus entity’s call. Thus, the evil molvis of the NNB Jamiat deemed it prudent to issue their hollow retraction devoid of sincerity.

We say ‘devoid of sincerity’ because in reality the NNB Jamiat molvis, some Jamiat KZN molvis and MJC sheikhs are supporters of the Shiah. NNB (No Name Brand) Jamiat, Jamiat KZN and the MJC together with the Qabar Pujaari Jamiat comprise of bogus ‘uucsa’. Sheikh Igsaan Taliep, is the bogus ‘president’ of bogus ‘uucsa’. He is an open supporter of the Shiah. Yet these molvis who portray themselves as Deobandi affiliates lie in an unholy

embrace with this evil sheikh who have accepted Shiah with open arms. The retraction therefore is meaningless. It was designed as a damage control measure to hoodwink Muslims into believing that these ulama-e-soo' of the bogus 'uucsa' are not Shiah supporters. But this image which they are peddling is a blatant lie. They are aligned to a bogus body whose 'president' is a professed supporter of the Shiah.

While the Ulama of Deoband believe that Shiah are kaafirs, the sheikh of bogus 'uucsa;' believes that they are Muslims. One Dr.Firoz Osman of the Media Review Network who also appears to be either a Shiah or a Shiah bedfellow, writes:

"Sheigh Igshaan Taliep , president of the United Ulemaah (this fellow does no know even how to spell and pronounce Ulama – The Majlis)

Council of South Africa and Sheigh Moghammaad Moerat, Imaam of Muir Street mosque in Cape Town both very senior and highly respected Imaams not only in the Western Cape but throughout SA in separate Friday ghutbas , Sheigh Igshaan in Gatesville mosque and Sheigh Moghammad in Muir street mosque, eluded

(sic! –The Majlis)

to the same points and that was :

1. Sunni - Shia is a creation by the West to divide the Muslim Ummah .

2. If a muslim does not conform to the Shahada that is only time that you must distance yourself from such a person but otherwise a muslim cannot break ties with another muslim .

The Holy Quran states clearly that we muslims should not divide ourselves into different...”

(End of the stupid statement which we have reproduced with its grammatical and other errors. The doctor character should undergo a crash course in the English language.)

According to Sheikh Taliep, “Sunni-Shia is a creation of the west”. This sheikh displays lamentable ignorance. Whilst the West capitalizes on Muslim differences, it did not create either Shi’ism or Sunni’ism. Shaitaan created Shi’ism while Sunni’ism (i.e. Islam) was revealed to Muhammadur Rasulullah (Sallallahu alayhi wasallam) by Allah Azza Wa Jal. The jaahiel sheikh’s contention that whoever proclaims merely the ‘shahada’ is a Muslim hence it is obligatory to maintain ties, displays his contumacy. Surely he cannot be so stupid as to believe that if a man denies the finality of Nubuwwat or believes that Nabi Isaa (Alahyhis salaam) is the son of Allaah (Nauthubillah!), or he denies any of the fundamental beliefs of Islam, then he is a Muslim and that he “conforms to the ‘shahada’ ” simply because he recites the Kalimah.

Why then did the MJC so vehemently proclaim the Ahmedis murtad and kaafir? The Ahmedis, like the Shiahs proclaim the Kalimah of Islam. So why are the Ahmedies kaafir and the vile Shias not kaafir? The Ahmedis, despite being kaafir, do not subscribe to the egregiously kufr beliefs of Shiahs. The slanders of the Shiahs against Hadhrat Aishah (Radhiyallahu anha) in particular, and against the other Sahaabah in general, ignite hatred in the hearts of the Mu’mineen. Those who befriend these evil slanderers and kuffaar can never have true Imaan.

The jaahiel sheikh, the other MJC evil, sheikhs and molvis, the NNB Jamiat molvis and the Jamiat KZN's molvis are not ignorant of the dastardly kufr and filth of Shiah beliefs and slanders. Despite their full awareness of Shiah villainy, they find it comfortable and pleasurable to consort with them and to lie in bed with these evil slanderers of the Sahaabah. As far as the MJC ulama-e-soo' are concerned, the motivation is the boodle. Friendship with the Shiahs, supporting them and praising them are lucrative sources of income. The Iranian government sponsors such weak of Imaan Sunnis who are prepared to do their bootlicking and spread their fitnah propaganda. Thus the motivation of the MJC is *hub-e-maal (love of money)*. This lust is the primary objectives of these carrion-halaalizing sheikhs.

The primary motivation of the NNB Jamiat molvis is both *hub-e-maal and hubb-e-jah (love of money and love for fame)*. Some

NNB Jamiat molvis suffer from the despicable malady of a voracious appetite for cheap publicity, hence their snouts appear all over the show in immoral media. The objective of the Jamiat KZN for consorting with the Shiah sheikh Taliep and Qabar Pujaaris is *hub-e-jah*.

There are no other reasons for the false unity forged among baatil groups. But their fitnah will rebound on them.

Any Muslim who does not distance himself from the Shiah is not a true Muslim. If someone had to say to one of these Shiah-supporting sheikhs or molvis: *“Your mother is a whore! You are an illegitimate son of a whore mother!”*, what will be their reaction? Will they seek unity with this slanderer? Will they dine and wine together with the slanderer? Will they sit together smiling and making merry? But if these very same villainous epithets are hurled against Hadhrat Aishah (Radhiyallahu anha), Hadhrat Abu Bakr, Umar and Uthmaan (Radhiyallahu anhu), then these miserable sheikhs and molvis can find ample room in their hearts for consorting with these slanderers whose brains are vermiculated with the vermin of kufr. What face will these Shiah-supporting sheikhs and molvis be able to present to Allah Ta’ala and Rasulullah (Sallallahu alayhi wasallam) on the Day of Qiyaama?

Is this bogus ‘president’ of bogus ‘uucsa’ so dense in the brains that he fails to understand that people who slander the Sahaabah, who deny the authenticity of the Qur’aan Majeed, who deny the Imaan of the Sahaabah, including the Ashrah Mubush-sharah, who believe that Allah Ta’ala sends Jibraeel (Alayhis Salaam) with Wahi (Revelation) to their imams on whom they have conferred all the attributes of Nubuwwat, who believe that their imams are just as sinless as the Ambiya (Alayhimus Salaam), who halaalize adultery, etc., etc., can never be Muslims?

The radio VOC stated regarding Quds day:

“In August 1979, the late founder of the Islamic Republic Ayatollah Khomeini declared the last Friday of the Muslim holy month of Ramadhan as the international Quds Day.”

In terms of Shiah belief, Hadhrat Jibraeel (Alayhis salaam) must have brought divine revelation for decreeing the last Friday of Ramadhaan a stupid Quds day. All of these Quds Day upholders are bootlickers of the Iranian Shiah regime. There is absolutely no Islamic significance to this haraam, Shiah bid'ah. The bogus 'uucsa' molvis miserably failed to apply their brains to understand the stupidity and falsity of the Quds day stupidity. On what basis did these morons fabricate another day of worship and that too the last Friday of Ramadhaan? Since this entity is bogus, it fabricates only what is bogus. The bogus Patel 'secretary general' of the bogus 'uucsa' has made a mockery of himself with his attempt to promote a Shiah event. He has also committed fraud against Allah Ta'ala for interpolating a fraudulent occasion in the holiest days of Ramadhaan. It is haraam to celebrate this stupid Quds day of the Shiahs.
